Independent Auditors' Report

The Board of Directors
Planned Parenthood of Middle and
East Tennessee, Inc.

We have audited the statements of financial position of Planned Parenthood of Middle and East Tennessee, Inc. (a nonprofit organization) as of June 30, 2010 and 2009, and the related statements of activities and changes in net assets, activities by functional classification, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Affiliate's management. Our responsibility is to express an opinion on these financial statements based on our audits. The prior year summarized comparative information has been derived from the Affiliate's 2009 financial statements and, in our report dated December 10, 2009, we expressed an unqualified opinion on those financial statements.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Planned Parenthood of Middle and East Tennessee, Inc. as of June 30, 2010 and 2009, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

June 30, 2010 and 2009

General

On July 1, 2000, Planned Parenthood of Middle Tennessee and Planned Parenthood of East Tennessee were merged with the new name being Planned Parenthood of Middle and East Tennessee, Inc. (the "Affiliate") and affiliated with Planned Parenthood Federation of America. The Affiliate is primarily engaged in providing education and medical treatment options to individuals concerning reproductive and health - related decisions.

(1) Summary of Significant Accounting Policies

Basis of Financial Statement Presentation

The financial statements have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables and other liabilities.

These financial statements have been prepared to focus on the entity as a whole and to present transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of fund transactions into three categories of net assets: unrestricted net assets which have no donor-imposed restrictions, temporarily restricted assets which have donor-imposed restrictions that expire in the future, and permanently restricted net assets which have donor imposed restrictions that do not expire, if any.

Comparative Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Affiliate's financial statements for the year ended June 30, 2009, from which the summarized information was derived.

Financial Statement Presentation

Certain reclassifications may have been made to the prior year figures in order to conform to current year presentation. These reclassifications, if any, have no effect on reported net assets.

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions. All donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Cash and Cash Equivalents

For purposes of the statements of cash flows, cash on hand, deposits in financial institutions and highly liquid debt instruments with an original maturity of three months or less are considered to be cash and cash equivalents.

Pledges Receivable

The amounts, if any, less an appropriate reserve, will be recorded at their estimated fair value with amounts due later that one year at the present value of estimated future cash flows.

Inventory

Inventory consists of drugs, medical, contraceptive and laboratory supplies. Inventory is stated at the lower of cost or market, with cost being determined by use of the first - in, first-out method.

Fair Value Measurements

The carrying value of cash, accounts receivable, accounts payable and accrued expenses approximate fair value because of the short maturity of these instruments. The carrying values of liabilities are not materially different from the estimated fair values of these instruments.

Property and Equipment

Expenditures for property and equipment are stated at cost or estimated fair value at date of gift. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis as follows:

Buildings and improvements 35 - 40 years
Office furniture and equipment 3 - 7 years
Leasehold improvements Life of lease

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributed Services

Contributed services are reflected in the financial statements at the fair value of the services received, if those services (a) create or enhance non financial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. During the year ended June 30, 2010 and 2009 the Affiliate recognized no contributed services.

Compensated Absences

Employees are entitled to paid vacation, paid sick days and personal days off, depending on job classifycation, length of service and other factors. A liability has been provided in the financial statements for compensated absences relating to vacations earned not paid. It is impractical to estimate the amount of compensation for future absences related to sick days and personal days off, accordingly, this liability has not been recorded in the accompanying financial statements. The policy is to recognize the cost of these other compensated absences when actually paid to employees.

Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the following programs:

Unrestricted Fund Groups

Surgical Services - resources are utilized in the performance of surgical services.

Family Planning and Teen Clinic - resources are utilized to encourage family involvement with respect to family planning services provided to individuals and comprehensive services to teens. No state or federal grant resources are used for providing abortion services.

Non Grant - resources provide a fee - for - service base for patients capable of paying modest fees for high quality medical services and supplies.

Education - resources are utilized for providing family planning education to youth, youth serving agencies, and to adults. Educational programs and materials emphasize the connection between behavior and consequences, and encourage the development of responsible decision making skills. No education resources are used for providing surgical services.

J. P. Davis Fund - Contributions to this fund are temporarily restricted to providing abortions to indigent or low income women. As assistance is extended to these individuals the donor imposed restriction is released.
