#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Family and Children's Service Nashville, Tennessee

We have audited the accompanying statements of financial position of Family and Children's Service (a nonprofit organization) as of June 30, 2006 and 2005, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Family and Children's Service as of June 30, 2006 and 2005, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated August 3, 2006, on our consideration of Family and Children's Service's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule of expenditures of federal and state awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Nature of Activity

The purpose of Family and Children's Service (the "Organization") is to promote the social, emotional and physical well being of families, children and individual members of families. This is accomplished by providing educational and counseling services to families and individuals, advocating and/or providing services and care appropriate to the individual needs of children whose parents or other relatives are unable to furnish adequate physical and emotional care, observing and studying causes of individual and family breakdown and promoting improvements of community conditions affecting family life, cooperating with other private and social agencies in the development of an adequate social service program to best fill the needs of the community without duplications, promoting and providing education for professional human services and providing ways and means for staff members to improve their own professional competency. The Organization serves the Middle Tennessee area.

#### Financial Statement Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Accordingly, net assets of the Organization, and changes therein are classified and reported as follows:

#### Unrestricted net assets

<u>Undesignated</u> – Net assets that are not subject to donor-imposed stipulations or designated by the Organization's Board.

<u>Designated</u> – Net assets designated by the Organization's Board for particular purposes, presently designated by the Board for Endowment.

<u>Temporarily restricted net assets</u> – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time.

<u>Permanently restricted net assets</u> – Net assets subject to donor imposed stipulations that they be maintained permanently by the Organization. Generally, donors of these assets permit the Organization to use all or part of the income earned for general or specific purposes. The Organization currently has no permanently restricted net assets.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Cash and Cash Equivalents

The Organization considers all highly liquid investments with an original maturity when purchased of three months or less to be cash equivalents.

#### **Promises to Give**

Contributions are recognized when a donor makes an unconditional promise to give to the Organization. Contributions that are not restricted, or are restricted by the donor and the restriction expires during the fiscal year, are reported as increases in unrestricted net assets. All other contributions are reported as increases in temporarily or permanently restricted net assets. Management considers all unconditional promises to give fully collectible at June 30, 2006 and 2005.

#### **Property and Equipment**

It is the Organization's policy to capitalize property and equipment over \$5,000. All purchases less than that amount are expensed in the period incurred. Donated property and equipment is reported as contributions at its estimated fair value. Unless donor-restricted, all donated property and equipment are reported as increases in unrestricted net assets. Property and equipment are depreciated over their useful lives using the straight-line method. Useful lives range from three years for computer equipment to forty years for building.

#### **Investments**

The Organization's investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statements of financial position. Investment income and unrealized gains and losses are reported as changes in unrestricted net assets unless the use of income has been restricted by the donor.

#### **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

#### **Income Taxes**

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

#### NOTE 2 - NAC 7 DEPOSITS

The Organization participated with six Nashville area nonprofit agencies in a collaborative effort to evaluate ways to reduce overhead and administrative expense. The collaboration took the name Nashville Agency Collaboration of Seven ("NAC 7") and was not incorporated. During 2001, the Organization received \$249,500 in grant funds on behalf of NAC 7. The funds were considered to be the assets of NAC 7 and were therefore presented in the accompanying statement of financial position as deposits. At June 30, 2005, the assets held on behalf of NAC 7 totaled \$78,772. NAC 7 dissolved during the year ended June 30, 2006.

#### **NOTE 3 – INVESTMENTS**

Rent expense amounted to \$159,333 and \$111,504, respectively, for the years ended June 30, 2006 and 2005.

#### NOTE 8 - CONCENTRATION OF CREDIT RISK

The Organization may at times have cash amounts at financial institutions in excess of the amount insured by the Federal Deposit Insurance Corporation. The Organization has not experienced any losses in such amounts and does not believe it is exposed to any significant concentration of credit risk.

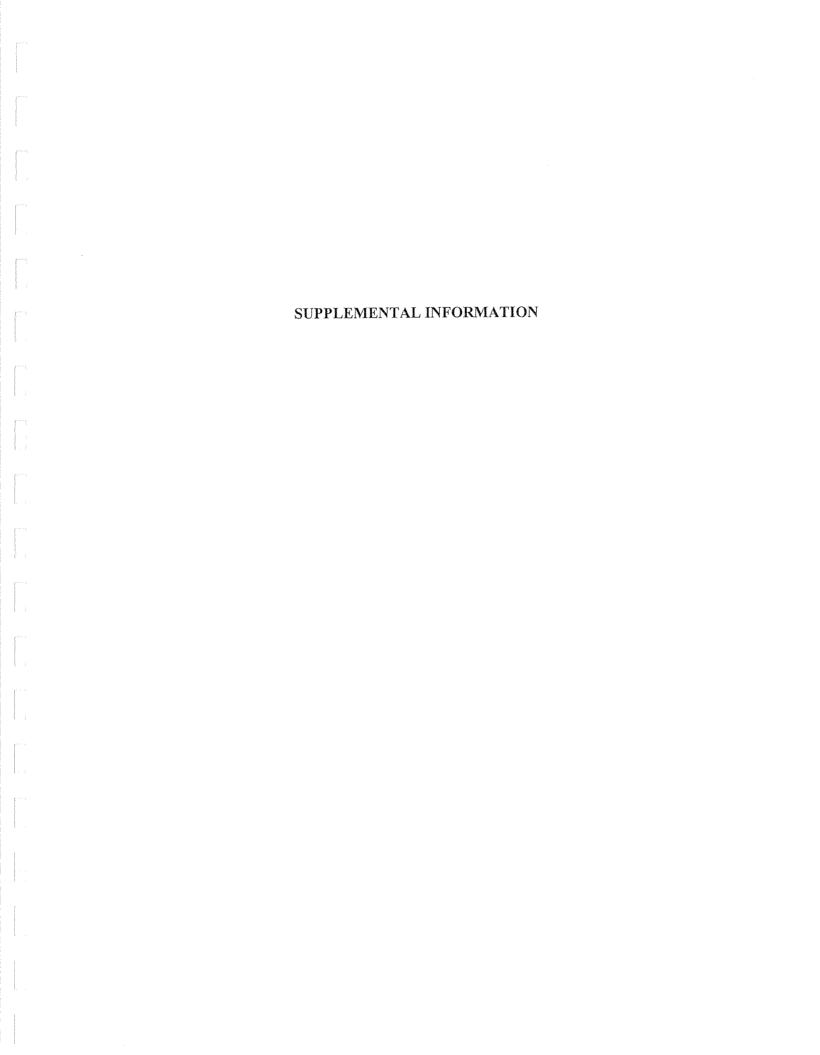

#### NOTE 9 - CONCENTRATION OF REVENUE

The Organization receives a substantial amount of its revenue from Federal and State grants and the United Way. A significant reduction in the amount received from either source could have an adverse effect on the operations of the Organization.

#### NOTE 10 - ASSET CONVEYANCE

Effective June 30, 2005, the Organization acquired certain Crisis Intervention Center, Inc.'s ("CIC") programs. CIC, located in Nashville, Tennessee, is a not-for-profit organization that operates programs complimentary to those of the Organization. The agreement generally provides for the Organization to acquire certain assets and liabilities related to CIC. As part of the agreement, the Organization advanced \$80,000 for working capital. The advance has been repaid subsequent to June 30, 2006. In addition, the Organization has agreed to lend CIC an additional amount up to \$65,000 in certain circumstances as described in the agreement. The transaction has been accounted for as a contribution in the 2005 statement of activities. Assets and liabilities transferred to the Organization include the following.

# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors
Family and Children's Service

We have audited the financial statements of Family and Children's Service (a nonprofit organization) as of and for the year ended June 30, 2006, and have issued our report thereon dated August 3, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered Family and Children's Service's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Family and Children's Service's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of Family and Children's Service in a separate letter dated August 3, 2006.

## REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

The Board of Directors Family and Children's Service

#### Compliance

We have audited the compliance of Family and Children's Service (a nonprofit organization) with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major Federal programs for the year ended June 30, 2006. Family and Children's Service's major Federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major Federal programs is the responsibility of Family and Children's Service's management. Our responsibility is to express an opinion on Family and Children's Service's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about Family and Children's Service's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Family and Children's Service's compliance with those requirements.

In our opinion, Family and Children's Service complied, in all material respects, with the requirements referred to above that are applicable to each of its major Federal programs for the year ended June 30, 2006.

#### **Internal Control Over Compliance**

The management of Family and Children's Service is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to Federal programs. In planning and performing our audit, we considered Family and Children's Service's internal control over compliance with requirements that could have a direct and material effect on a major Federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major Federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information of the board of directors, management and Federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
