(INDEPENDENT AUDITORS' REPORT)

To the Board of Directors **Guardianship and Trusts Corporation**Nashville, Tennessee

We have audited the accompanying statements of financial position of Guardianship and Trusts Corporation (a nonprofit organization) as of June 30, 2007 and 2006, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Guardianship and Trusts Corporation** as of June 30, 2007 and 2006, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General and Nature of Activities

The Guardianship and Trusts Corporation ("GTC") was incorporated under the laws of the State of Tennessee as a nonprofit organization in December 1980. In March 1983. GTC was issued a Certificate of Authority by the department of banking to provide limited trust services. GTC was formed to provide financial, medical advisory and other fiduciary services to persons mentally handicapped. Their services are provided in the capacity of trustee, guardian, conservator, and/or attorney-in-fact primarily in the Middle Tennessee area.

Financial Statement Presentation

GTC has adopted Statement of Financial Accounting Standards (SFAS) No. 117. "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the Association is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

Estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Property and Equipment

It is GTC's policy to capitalize property and equipment over \$100. Lesser amounts are expensed. Purchased property and equipment are capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Absent donor stipulations regarding how long those donated assets must be maintained, GTC reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. GTC reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method over the estimated useful life of five to seven years.

Investment in Restricted Stock

The investment in restricted stock is comprised of qualified real estate investment trust stock donated to the organization. It is stated at cost, which is its par value, which is the liquidating value in accordance with the stock restriction agreement.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

GTC has also adopted SFAS No. 116. "Accounting for Contributions Received and Contributions Made." Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence or nature of any donor restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions.

Conservator and Guardianship Fees

Fees are recognized as the service is provided based on accumulated time, plus out-of-pocket expenses. Based on management experience and the nature of court authorized payments, fee adjustments are made at the time of fee motion. Consequently, no allowance is considered necessary.

Promises to Give

Contributions are recognized when the donor makes a promise to give to GTC that is. in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending upon the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

GTC uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

Contributed Goods and Services

Contributions of donated noncash assets are recorded at their fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. No amounts have been reflected in the statements for time donated by unpaid volunteers for GTC's leadership, activities and fund raising events, because the criteria for recognition under SFAS No. 116 has not been satisfied.

Income Taxes

GTC is a not-for-profit corporation that is exempt from income taxes on income under Section 501(c)(3) of the Internal Revenue Code, and is not considered a private foundation.

NOTE 2 - RESTRICTED CASH

GTC maintains separate accounts for funds from grants with restrictions and for funds restricted for fiduciary services. Funds are transferred to the operating account to be used for their intended purpose as specified in the restrictions. The fiduciary account includes certain board designation of unrestricted contributions. The grant account primarily holds funds received from United Way and West End Home Foundation grants. Interest earned on these accounts is recorded as unrestricted as designated by the Board.

NOTE 3 – BOARD DISCRETIONARY ACCOUNT

The President of the Board was entrusted with a discretionary fund to be used for human resource purposes and is held in an attorney escrow account. Disbursements are made at his discretion and reported to the Board. The balance at June 30, 2007 and 2006 was \$761 and \$979 respectively.

NOTE 4 – TEMPORARILY RESTRICTED ASSET
