## **INDEPENDENT AUDITORS' REPORT**

The Board of Directors
Nashville Public Library Foundation:

We have audited the accompanying financial statements of Nashville Public Library Foundation, which are comprised of the statements of financial position as of June 30, 2021 and 2020, the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nashville Public Library Foundation as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Notes to the Financial Statements**

#### June 30, 2021 and 2020

### (1) Nature of operations

The Nashville Public Library Foundation (the "Foundation") was organized in 1997 as a taxexempt publicly supported charitable organization. The Foundation was formed to enhance and support the programs and facilities of the Nashville Public Library ("NPL").

## (2) Summary of significant accounting policies

The financial statements of the Foundation are presented on the accrual basis. The significant accounting policies followed are described below.

## (a) Basis of presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

<u>Net assets without donor restrictions</u> - Net assets that are available for use in general operations and not subject to donor-imposed stipulations. These net assets may be used at the discretion of the Foundation's management and the board of directors.

<u>Net assets with donor restrictions</u> - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time or that they be maintained permanently by the Foundation.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Foundation reports the support as net assets without donor restrictions.

#### (b) Cash equivalents

The Foundation considers all highly liquid investments with original maturities of less than three months to be cash equivalents.

## (c) Contributions receivable

Unconditional promises to give that are expected to be collected within one year are recorded as contributions receivable at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using a risk-free interest rate applicable to the year in which the promise is received. Amortization of the discount is included in contribution revenue. Conditional promises to give are not included as support until such time as the conditions are substantially met.

## **Notes to the Financial Statements**

## June 30, 2021 and 2020

The Foundation's policy is to write off all accounts that have been identified as uncollectible. An allowance for doubtful accounts is recorded for amounts not yet written off, which are estimated to be uncollectible based upon specific review of accounts.

## (d) Investments

Investments in debt and equity securities are recorded at fair value in the statements of financial position. Investment return shown in the statements of activities includes interest, dividends, and realized and unrealized gains and losses, net of investment related expenses.

Investment income is reported in the period earned as an increase in net assets without donor restrictions unless the use of the assets received is limited by donor-imposed restrictions. Investment income that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restrictions are met or expire in the year in which the income is recognized.

All other donor-restricted investment income is reported as an increase in net assets with donor restrictions depending on the nature of the restrictions. See Note 6 for discussion of fair value measurements.

### (e) Leasehold improvements and computer equipment

Leasehold improvements and computer equipment are stated at cost. Depreciation is provided over the assets' estimated useful lives using the straight-line method. Leasehold improvements are amortized over the shorter of their estimated lives or the respective lease term. Computer equipment is generally depreciated over five years.

Expenditures for maintenance and repairs are expensed when incurred. Expenditures for renewals or betterments are capitalized. When property is retired or sold, the cost and the related accumulated depreciation or amortization is removed from the accounts, and the resulting gain or loss is included in operations.

#### (f) Income taxes

The Foundation is exempt from federal income taxes under the provisions of Internal Revenue Code Section 501(c)(3), and, accordingly, no provision for income taxes is included in the financial statements.

As of June 30, 2021 and 2020, the Foundation has accrued no interest and no penalties related to uncertain tax positions. It is the Foundation's policy to recognize interest and/or penalties related to income tax matters in income tax expense.

The Foundation files a U.S. Federal information tax return.

## **Notes to the Financial Statements**

## June 30, 2021 and 2020

## (g) Marketing and promotion costs

Marketing and promotion costs are expensed as incurred.

## (h) **Donated assets**

Donated marketable securities and other noncash donations are recorded as contributions at their estimated fair values at the date of donation.

## (i) Program and supporting services - functional allocation

The following program and supporting services are included in the accompanying financial statements:

<u>Program services</u> - includes activities carried out to fulfill the Foundation's mission to enhance and support the programs and facilities of the NPL.

## **Supporting services:**

<u>Management and general</u> - relates to the overall direction of the Foundation. These expenses are not identifiable with a particular program or with fundraising, but are indispensable to the conduct of those activities and are essential to the Foundation. Specific activities include Foundation oversight, business management, recordkeeping, budgeting, financing, and other administrative activities.

<u>Fundraising</u> - includes costs of activities directed toward appeals for financial support, including special events. Other activities include the cost of solicitations and creation and distributions of fundraising materials.

Expenses which can be directly attributed to a particular function are charged to the function. Certain costs are allocated among two or more activities based on management's estimates of time and effort included for each program or supporting function.

#### (j) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### **Notes to the Financial Statements**

June 30, 2021 and 2020

## (k) Recently adopted accounting standards

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2014-09, *Revenue from Contracts with Customers* ("ASU 2014-09"). The ASU implements a single framework for revenue recognition ensuring that revenue is recognized in a manner that reflects the consideration to which the entity expects to be entitled for goods or services. Effective July 1, 2020, the Foundation adopted ASU 2014-09 on a modified retrospective basis. The adoption of ASU 2014-09, as amended, did not have a material impact on the recognition of revenue from contracts with customers.

In June 2018, the FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958), Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made. ASU 2018-08 assists entities in evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and in determining whether a contribution is conditional. ASU 2018-08 was adopted by the Foundation on July 1, 2019 for transactions in which the Foundation serves as a resource recipient and July 1, 2020 for transactions in which the Foundation serves as a resource provider. The adoption of ASU 2018-08 did not have a significant impact on the Foundation's financial statements for the years ended June 30, 2020 and 2019.

### (I) Events occurring after reporting date

Management of the Foundation has evaluated events and transactions that occurred between June 30, 2021 and September 15, 2021, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

## (3) Liquidity and availability

As of June 30, 2021, the Foundation has \$2,378,197 of cash, \$106,750 of contributions receivable that are collectible within one year and without donor restrictions, and \$6,547,046 of investments without donor restrictions or board designation available for general expenditures within one year of the statement of financial position date. Additionally, the Foundation has \$1,217,679 of investments without donor restriction that have been designated by the Board of Directors for endowment; however, the designation could be removed and the investments liquidated if the need arose. The Foundation has unfunded commitments of approximately \$110,000 for certain investments (Note 6) that could be required to be remitted by the Foundation within one year of the statement of financial position date.

## **Notes to the Financial Statements**

## June 30, 2021 and 2020

As of June 30, 2020, the Foundation had \$1,942,392 of cash, \$55,258 of contributions receivable that are collectible within one year, and \$4,988,126 of investments without donor restrictions or board designation available for general expenditures within one year of the statement of financial position date. Additionally, the Foundation had \$1,012,778 of investments without donor restriction that had been designated by the Board of Directors for endowment; however, the designation could have been removed and the investments liquidated if the need arose. The Foundation had unfunded commitments of \$175,000 for certain investments that could have been required to be remitted by the Foundation within one year of the statement of financial position date.

## (4) Credit risk and other concentrations

Accounts at financial institutions are insured by the Federal Deposit Insurance Corporation or the Security Investors Protection Corporation up to \$250,000. The Foundation generally maintains accounts at financial institutions in excess of insured amounts. The Foundation has not experienced any losses in such accounts and management believes the Foundation is not exposed to any significant credit risk related to these accounts.

The Foundation utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible for changes in the values of investment securities occurring in the near term and those changes could materially affect the amounts reported in the financial statements.

### (5) Contributions receivable

Contributions are used for the purposes of funding and expanding current and future programs run by the NPL and gifts to endowment. These contributions are reported as either net assets with donor restrictions or without donor restrictions in the accompanying statements of financial position based on the absence or presence of donor restrictions. A summary of total contributions receivable as of June 30, 2021 and 2020 is as follows:

	<u>2021</u>		<u>2020</u>
Without donor restrictions:			
Receivable in less than one year	\$ 106,750	\$	55,258
Receivable in one to five years	 		45,000
Total without donor restrictions contributions receivable	 106,750	_	100,258
With donor restrictions:			
Receivable in less than one year	397,799		630,231
Receivable in one to five years	 <u>376,750</u>		512,923
Total contributions receivable	 881,299		1,243,412
Less allowance for uncollectible contributions	 <u>(63,810</u> )		<u>(63,810</u> )
Contributions receivable, net	\$ 817,489	\$	1,179,602

## **Notes to the Financial Statements**

#### June 30, 2021 and 2020

## (6) Investments and fair value measurements

FASB Accounting Standards Codification 820, Fair Value Measurements, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at June 30, 2021 and 2020.

(i) Mutual funds: Valued at the net asset value of shares held by the Foundation at year end as reported on the active market on which the individual fund is traded.

## **Notes to the Financial Statements**

#### June 30, 2021 and 2020

(ii) Common trust funds: Common trust funds are invested in separate trust funds which hold investments in a variety of investment instruments, including domestic governmental and corporate debt and equity securities, mutual funds, limited partnerships and foreign equity securities. The funds are valued at the net asset value of shares held based on the value of the underlying investments. The net asset value is determined monthly by the funds' manager, Diversified Trust Company, Inc. Units are issued and redeemed only at the most current month-end net asset value. The majority of the funds do not have withdrawal restrictions. The Foundation had unfunded commitments totaling approximately \$110,000 related to these investments as of June 30, 2021. These unfunded commitments represent money that could be required to be remitted by the Foundation at any time based on a legally enforceable agreement and at the discretion of the management of the funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Foundation's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Foundation's assets at fair value as of June 30, 2021 and 2020:

	<u>2021</u>				
	<u>Level 1</u>	Level 2	Level 3	<u>Total</u>	
Mutual funds Common trust funds	\$ 13,910,284 	\$ - <u>1,270,988</u>	\$ - -	\$ 13,910,284 1,270,988

## (9) Endowments

The Foundation follows the Uniform Management of Institutional Funds Act of 1972 ("UMIFA") and its own governing documents. UMIFA requires the historical dollar amount of a donor-restricted endowment fund to be preserved. In the absence of donor restrictions, the net appreciation on a donor-restricted endowment fund is spendable under UMIFA. The Foundation's donors have not placed restrictions on the use of the investment income or net appreciation resulting from the donor-restricted endowment funds.

The Board, on the advice of legal counsel, has determined that the majority of the Foundation's contributions are subject to the terms of its governing documents. Certain contributions are received subject to other gift instruments, or are subject to specific agreements with the Foundation. Under the terms of the Foundation's governing documents, the Board has the ability to distribute as much of the original principal of any trust or separate gift, devise, bequest, or fund as the Board in its sole discretion shall determine. As a result of the ability to distribute the original principal, all contributions not classified as with donor restrictions are classified as without donor restrictions for financial statement purposes.

As prescribed by the Tennessee Uniform Prudent Management of Institutional Funds Act ("TUPMIFA"), the Foundation intends to preserve the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified in accordance with the terms of the donor agreement. In accordance with TUPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Foundation and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Foundation
- (7) The investment policies of the Foundation

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets.

#### June 30, 2021 and 2020

## Changes in Endowment Net Assets for the Years Ended June 30, 2021 and 2020:

	Without donor	With donor	
	<u>restrictions</u>	<u>restrictions</u>	<u>Total</u>
Balance at June 30, 2019	\$ 1,014,468	\$ 6,861,535	\$ 7,876,003
Contributions	-	251,413	251,413
Investment gain	49,619	219,742	269,361
Amounts appropriated for expenditure	(51,309)	(221,565)	(272,874)
Balance at June 30, 2020	1,012,778	7,111,125	8,123,903
Contributions	-	19,633	19,633
Investment gain	259,901	1,153,682	1,413,583
Amounts appropriated for expenditure	<u>(54,999</u> )	<u>(195,900</u> )	(250,899)
Balance at June 30, 2021	\$ <u>1,217,680</u>	\$ <u>8,088,540</u>	\$ <u>9,306,220</u>

Distributions from the endowments are made as determined by the Board of Directors to satisfy program objectives. Contributions received for all endowment funds are invested in accordance with the investment policy statement maintained by the Foundation. See below for the use of income resulting from significant endowment funds.

## **Board Designated Endowment**

Income from the investments is transferred to net assets without donor restrictions and is used for special programs.

## **Bridgestone/Firestone Endowment**

Income from the endowment is transferred to the Conference Center Fund (a net assets with donor restricted fund) and is used to purchase new equipment for the conference center and fund new art exhibits and programs in the Conference Center.

### Jr. League Endowment

Income from the endowment is transferred to the Children's Department Fund (a net assets with donor restricted fund) and is used for Puppet Troupe expenses, summer reading programs, and other children's programs.

#### **Turner Endowment**

Income from the endowment is transferred to the Children's Department Fund (a net assets with donor restricted fund) and is used for Puppet Troupe expenses and other children's programs.

#### Wilson Endowment

Income from the endowment is transferred to the Wilson Fund (a net assets with donor restricted fund) and is used for art related programs and the purchase of art books.

### **Notes to the Financial Statements**

## June 30, 2021 and 2020

#### **Bredesen Endowment**

Income from the investments is transferred to net assets without donor restrictions fund and is used for special programs.

### **MA Robinson Endowment**

Income from the investments is transferred to net assets without donor restrictions and is used for special programs.

## **Courtyard Endowment**

Income from the endowment is used to pay for maintenance and capital improvements to the Robertson Courtyard.

## (10) Leases

Pursuant to a Commercial Lease Agreement, dated April 12, 2000, between The Metropolitan Development and Housing Agency, as lessor, and the Foundation, as lessee, the Foundation leases a portion of the NPL (the "Leased Space"), at a rental of \$1 per year. The lease terminates on July 1, 2098. A portion of the leased space is subleased to two unaffiliated organizations.

A summary of approximate future minimum sublease payments to be received as of June 30, 2021 is as follows:

<u>Year</u>		<u>Amount</u>
2022	\$	140,000
2023		105,000
2024		77,000
2025		79,000
2026		81,000
2027 and later years		335,000
	Ś	817.000

### (11) Donated services and supplies

Donated supplies and services included in the accompanying financial statements for the years ended June 30, 2021 and 2020 totaled \$168,430 and \$47,312, respectively.

#### (12) Related party transactions

The Foundation may obtain goods or services from individuals, companies or organizations affiliated with or owned, directly or indirectly, by members of the Board.

Contributions from board members amounted to approximately \$107,000 and \$128,000 in 2021 and 2020, respectively. The Foundation had no pledges receivable from these board members at years ended June 30, 2021 and 2020.

## **Notes to the Financial Statements**

#### June 30, 2021 and 2020

The Foundation grants certain funds to the NPL for various projects which fulfill the Foundation's mission. Total gifts to the Library for the years ended June 30, 2021 and 2020 were approximately \$615,000 and \$590,000, respectively. At June 30, 2021 and 2020, accounts payable to the NPL amounted to approximately \$27,000 and \$54,000, respectively. The Foundation also provided support to certain libraries under the control of Metro Nashville government.

## (13) Fund with Community Foundation of Middle Tennessee

In August 2001, an individual established the Nashville Public Library Endowment Fund, an agency endowment fund with the Community Foundation of Middle Tennessee (the "Community Foundation"). Earnings on this fund are designated for the purchase of books for the NPL. Total funds held by the Community Foundation, which are excluded from the assets of the Foundation, amounted to \$1,025,281 and \$881,240 at June 30, 2021 and 2020, respectively. The fund distributed \$44,400 and \$44,600 to the Foundation during fiscal years 2021 and 2020, respectively, which are included in contributions with donor restrictions.

## (14) Current economic conditions

On March 11, 2020, the World Health Organization declared the outbreak of the Coronavirus (COVID-19) a pandemic significantly impacting global and United states economies.

In response to the effects of the COVID-19 outbreak, the Foundation received \$200,000 of Paycheck Protection Program ("PPP") funding. The PPP, established as part of the Coronavirus Aid, Relief, and Economic Security Act, provided loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying entity. The loans and accrued interest were forgivable as long as the borrower used the loan proceeds for eligible purposes, including payroll, benefits, rent, and utilities, and maintains its payroll levels.

In accordance with FASB ASC 958-605, Not-for-Profit Entities-Revenue Recognition, the PPP funding was initially recorded as a refundable advance until conditions of release were substantially met, at which time the funds were reported as income. Management believed that the PPP funds of \$200,000 were used for eligible purposes and included this amount in contributions revenue for the year ended June 30, 2020. The Foundation received formal notification of forgiveness by the Small Business Administration on February 16, 2021.
