REPORT OF INDEPENDENT AUDITORS

Board of Directors
Friends of the Warner Parks, Inc.
Nashville, Tennessee

We have audited the accompanying statements of financial position of Friends of the Warner Parks, Inc. as of December 31, 2011 and 2010, and the related statements of activities, cash flows and functional expenses for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Friends of the Warner Parks, Inc. as of December 31, 2011 and 2010, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 - GENERAL

Friends of the Warner Parks, Inc. (the "Organization") is a not-for-profit organization whose purpose is to provide volunteer service to the Metropolitan Government of Nashville and Davidson County, Tennessee Board of Parks and Recreation ("Metro Parks and Recreation") in order to preserve, protect and improve the historic and natural quality of the Warner Parks and to improve the facilities, equipment and programs of the Warner Parks. The Organization is funded primarily from membership dues and contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Contributions and Support: Contributions are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a restriction is fulfilled (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted and reported in the Statement of Activities as net assets released from restrictions.

The Organization had no permanently restricted net assets at December 31, 2011 or 2010.

Cash and Cash Equivalents: Cash and cash equivalents consist of bank deposits in accounts that are federally insured up to $250,000 per financial institution. Additionally, for purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Contributions Receivable: Contributions receivable represent the remaining balance of unconditional promises to give that have not yet been paid. Pledges that are expected to be collected within one year or less are recorded at net realizable value. Pledges that are expected to be collected beyond one year are recorded at the present value of their estimated future cash flows. The pledges have been discounted using a rate commensurate with the risk. The interest rate used is 4.35% for pledges received in 2005, 4.70% for pledges received in 2006, 1.55% for pledges received in 2008 and 2.69% for pledges received in 2009. The most recent capital campaign ended in 2009. Amortization of the pledge discounts are recognized as contribution revenue each year until the pledge is paid in full. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. An allowance for doubtful accounts is determined by management based on historic loss experience. Management has not recorded an allowance for doubtful accounts at December 31, 2011 or 2010 as they believe all amounts to be collectible.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Agency Endowment Fund: The Organization's beneficial interest in an agency endowment fund is held by the Community Foundation of Middle Tennessee. Investment income and changes in the value of the fund are recognized in the statement of activity, and distributions received from the fund are recorded as decreases in the beneficial interest in the statement of financial position. (Note 4)

Valuation of Investments: Investments consist of a beneficial interest in an endowment fund and are carried at their fair values on the last business day of the reporting period. The changes in unrealized gains and losses are recognized in the statement of activities for the year.

Investments are carried at their estimated fair value. A fair value hierarchy is established which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value.

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumption about the assumptions that market participants would use in pricing an asset or liability.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following is a description of the valuation methods and assumptions used by the Organization to estimate the fair values of investments:

Beneficial interest in agency endowment fund - The fair value of beneficial interests in the agency endowment fund assets were determined based upon the fair value of the underlying trust assets at year end. This valuation method has been estimated to represent the present value of future distributed income. The Organization is able to compare the valuation model inputs and results to widely available published industry data for reasonableness. The Organization is also restricted in its ability to redemm the investment (level 3 inputs).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The following tables present investments measured at fair value:

	Fair Value Measurements at December 31, 2011 Using:			
	Quoted Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Beneficial interest in agency endowment fund	$ -	$ -	$ 76,024	$ 76,024

	Fair Value Measurements at December 31, 2010 Using:			
	Quoted Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Beneficial interest in agency endowment fund	$ -	$ -	$ 81,830	$ 81,830

The table below presents a reconciliation of all investments measured at fair value on a recurring basis using significant unobservable inputs (level 3) for the years ended December 31, included in the accompanying statement of financial position.

	Beneficial Interest in Agency Endowment Fund	
	2011	2010
Balance of recurring level 3 investments at January 1:	$ 81,830	$ 75,135
Total gains or losses included in change in net assets:

Net appreciation (depreciation) in fair value of investments	(2,465)	7,887
Interest income	990	1,411
Contributions to the fund	80	1,297
Grants and administrative fees	(4,411)	(3,900)
Balance of recurring Level 3 investments at December 31	$ 76,024	$ 81,830

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes: The Organization is a not-for-profit organization pursuant to Section 501(c)(3) of the Internal Revenue Code and is exempt from income taxes on related income pursuant to Section 501(a). Accordingly, no provision for income taxes is required for the Organization in the financial statements.

The Organization adopted guidance issued by the FASB with respect to accounting for uncertainty in income taxes. A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded.

The Organization is no longer subject to examination by taxing authorities for years before 2008. The Organization does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months.

The Organization recognizes interest and/or penalties related to income tax matters in income tax expense. The Organization did not have any amounts accrued for interest and penalties at December 31, 2011 or 2010.

Donated Property and Materials: Donated items are recorded at their fair value at the date of the gift.

Fixed Assets: Fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets. When properties are retired or otherwise disposed of the appropriate accounts are relieved of cost and accumulated depreciation, and any resulting gain or loss is recognized.

The assets' estimated lives used in computing depreciation are as follows:

Automobiles	3 years

Donated Services: In addition to receiving cash contributions, the Organization receives in-kind contributions from various donors. It is the policy of the Organization to record the estimated fair value of certain in-kind contributions as both revenue and expense for the programs or activities benefited. For the Years ended December 31, 2011 and 2010 in-kind contributions totaled $66,388 and $16,761, respectively.

Program and Supporting Services: The following functional expense classifications are included in the accompanying financial statements:

Program Services - This classification includes the costs of programs to help preserve, protect and improve the historic and natural quality of the Warner Parks and to provide support to help improve the park facilities, equipment and programs.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Management and General - This classification includes the costs of functions necessary to ensure an adequate working environment and costs not identifiable with a single program or fundraising activity. Costs associated with providing coordination and articulation of the Organization's program strategy, business management, general record-keeping, budgeting and related purposes are also included.

Fundraising - This classification includes the costs of activities directed toward appeals for financial support, including special events, costs of solicitations and creation and distributions of fundraising materials.

Allocation of Functional Expenses: Expenses that can be directly attributed to a particular function are charged to that function. Certain costs have been allocated among more than one program or activity benefited based on objectively evaluated financial and nonfinancial data or reasonable subjective methods determined by management.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events: Management has performed an analysis of the activities and transactions subsequent to December 31, 2011 to determine the need for any adjustments to and/or disclosures within the audited financial statements for the year ended December 31, 2011. Management has performed their analysis through June 15, 2012, which was the date the financial statements were available to be issued.

Reclassifications: Certain prior year amounts have been reclassified to conform with the current year presentation. These reclassifications had no effect on the total net assets or change in net assets.

NOTE 3 - CONTRIBUTIONS RECEIVABLE

As of December 31, 2011 and 2010, contributions receivable from related parties included $13,404 and $57,195, respectively, from members of the Organization's board of directors, and $174,485 and $229,060, respectively, from members of the Organization's advisory council.

NOTE 3 - CONTRIBUTIONS RECEIVABLE (Continued)

The following is the detail of the pledges receivable balances at December 31:

Restricted for land acquisitions and capital improvements	688,006	1,085,837
	$ 697,080	$ 1,090,237

NOTE 4 - AGENCY ENDOWMENT FUND

The Organization has a beneficial interest in the Friends of Warner Parks Agency Fund, an agency endowment fund held by the Community Foundation of Middle Tennessee (the "Community Foundation"). Earnings on this fund are used to further the goals of Friends of the Warner Parks, Inc. The Organization has granted variance power to the Community Foundation, and the Community Foundation has the ultimate authority and control over the Fund and the income derived therefrom. The Fund is charged a 0.4% administrative fee quarterly. Upon request by the Organization, income from the Fund representing a 5% annual return may be distributed to the Organization or to another suggested beneficiary.

NOTE 5 - FIXED ASSETS

The Organization's fixed assets and the related accumulated depreciation were as follows at December 31:

	2011	2010
Land	$ 10,800,326	$ 10,800,326
Automobile	9,965	9,965

Less: accumulated depreciation on automobile	4,429	1,107
	$ 10,805,862	$ 10,809,184

NOTE 6 - NOTE PAYABLE

Note payable consisted of a note from Bank of America due June 30, 2014. The unpaid principal bore interest at LIBOR plus 2% (2.26% at December 31, 2010). The note was secured by contributions receivable and cash restricted for land acquisitions. The principal balance was paid in full during the year ended December 31, 2011 and had a balance of $12,710 at December 31, 2010.

Interest expense was $304 and $13,066 for the years ended December 31, 2011 and 2010, respectively.

NOTE 7 - TEMPORARILY RESTRICTED NET ASSETS

NOTE 8 - CONCENTRATION OF CREDIT RISK

The Organization began a capital campaign at the end of 2004 and again in 2008 in order to help pay for land purchased in 2004 and 2009. There was not an active capital campaign in 2010 or 2011. The Organization's primary fundraiser, "Sunday in the Park," accounted for $157,521 and $176,452, or 37% and 43% of the unrestricted contributions in the years ended December 31, 2011 and 2010, respectively. The Organization's fundraiser with Luke Lea Society accounted for $79,223 and $75,250, or 18% of the unrestricted contributions in the years ended December 31, 2011 and 2010.

From time to time throughout the year, the Organization's bank balances with financial institutions exceeded FDIC insurance limits. Management considers this to be a normal business risk. At December 31, 2011 and 2010, cash balances per the bank exceeded the FDIC insurance limits by approximately $797,675 and $458,671, respectively.

NOTE 9 - CONTRACTED SALARIES AND RELATED PAYROLL COSTS

The Organization reimburses Metro Parks and Recreation for personnel expenses for the following positions: office assistant, naturalists, security services and staff ranger.
