Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Haven of Hope, Inc. (the "Organization") is a not-for-profit Tennessee corporation chartered March 20, 1985, to provide counseling and protective services to abused individuals, most of whom are residents of Coffee, Bedford, Franklin, Lincoln, Marshall and Moore counties.

Accounting Method

The financial statements are prepared on the accrual basis of accounting. Under this method, revenues are recognized when they are earned, and expenses are recognized when they are incurred.

Contributions are recognized when the donor makes a promise to give the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily (or permanently, when applicable) restricted net assets. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers highly liquid investments with an initial maturity of three months or less, which are neither designated nor restricted for long-term purposes to be cash equivalents.

Property and Equipment

Expenditures for additions, major renewals and betterments with a per unit cost in excess of \$500 are capitalized at cost and those for maintenance and repairs are currently charged to expense. Donated assets are recorded at fair value at the date of the gift. Depreciation is computed on the straight-line method over the following estimated useful lives.

Shelter building	39 years
Furniture and equipment	5 - 10 years
Improvements	10 - 20 years
Vehicles	5 years

The Organization follows the policy of recording contributions of long-lived assets directly instead of recognizing their gift over the useful life of the asset. The amounts shown are from market valuation as of the date of the contribution.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Allowance for Uncollectible Accounts

As accounts receivable are amounts due primarily from government agencies, there is minimal risk of their being uncollectible; therefore no allowance for uncollectible accounts is deemed necessary. The Organization determines an allowance for uncollectible receivable based on prior years' experience and management's analysis of specific promises made. An allowance for uncollectible accounts is not deemed necessary for promises receivable.

Grant Revenue

The Organization receives monetary grants from the Tennessee Department of Finance and Administration. The grants require the Organization to maintain certain levels of services and generally require a specified percentage of the grants be matched with local funds. The Organization recognizes revenue from grants only when all conditions specified by the grants have been met.

In-kind Support

In-kind support includes the estimated fair rental value of office space, as well as the estimated fair value of other items contributed to the Organization. Contributed services are recognized if the services received a) create or enhance non-financial assets or b) require special skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. The following amounts are included in in-kind support:

Rent	\$ 26400
Supplies and minor equipment	 22,893
Maintenance	103
	\$ 49,396

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Allocation of Expenses

The costs of providing the shelter program and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the activities benefited.

Income Taxes

The Organization is chartered as a Tennessee tax-exempt, nonprofit organization. On the federal level, the Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. There was no unrelated business income for the year ended June 30, 2016.

The Organization has adopted ASC Topic 740-10, *Accounting for Uncertainty in Income Taxes*, which prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, including the position that the Organization continues to qualify to be treated as a tax-exempt entity for both federal and state income tax purposes. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. For the year ended June 30, 2016, the Organization has no material uncertain tax positions to be accounted for in the financial statements under these rules. The Organization has exempt organization tax filings open to Internal Revenue Service audit, generally, for three years after they are filed.

Events Occurring After Reporting Date

Haven of Hope, Inc. has evaluated events and transactions that occurred between June 30, 2016 and September 15, 2016, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE 2 - CONCENTRATION OF CREDIT RISK

The Organization maintains its cash in bank deposit accounts in financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. Cash during the year may exceed the FDIC insured limits.

NOTE 3 - PROMISES TO GIVE

Unconditional promises to give consist of the following:

United Way

\$ 11,410

The United Way amount includes Bedford County and Franklin County as this amount is promised prior to the beginning of the fiscal year in which the cash will be received, and is considered temporarily restricted due to the time restriction.

NOTE 4 - PROPERTY AND EQUIPMENT

Property and equipment consists of the following:

Land Buildings	\$ 27,000 235,255
Furniture, fixtures and equipment Building improvements Automobile	52,849 23,321 12,700
Less accumulated depreiation	351,125 (155,442)
Net	\$ 195,683

Depreciation expense was \$8,320 for the year ended June 30, 2016.

NOTE 5 - CONTINGENCIES

Haven of Hope, Inc. receives a substantial portion of its support from the Tennessee Department of Finance and Administration and various local governments. Failure to obtain this funding for any year could have a significant effect on the continued operations of the Organization's programs and activities.

The grants from the Tennessee Department of Finance and Administration require the Organization to provide certain services and activities as specified by each grant. State programs are subject to agency monitoring and retroactive adjustments which may result in paybacks by Haven of Hope in excess of liabilities accrued on an estimated basis in the financial statements.

NOTE 6 - SIMPLE IRA RETIREMENT PLAN

The Organization provides an income tax deferred retirement savings plan. An eligible employee may contribute the portion of his or her salary that is allowed by law, with Haven of Hope, Inc. contributing an amount equal to the employee's contribution, up to three percent of compensation.

The Organization contracts with a trust company that has various investment options, with each participant making investment elections.

The Organization incurred Simple IRA expenses of \$7,170 for the year ended June 30, 2016, with \$6,544 being a program expense and \$626 being an administrative expense. These expenses are included in employee benefits in the Statement of Functional Expenses.

Tennessee Department of Finance and Administration	\$ 37,735
