d/b/a ALDERSGATE RENEWAL MINISTRIES
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Nature of Activities

The United Methodist Renewal Services Fellowship, Inc. d/b/a Aldersgate Renewal Ministries, Inc., a Tennessee nonprofit corporation chartered in 1978, provides support and planning for conferences devoted to Christian education, minister and church leadership training and limited international mission trips.

B. Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

C. Basis of Presentation

Financial statement presentation follows the recommendations of FASB ASC 958-205-55, *Not for Profit Entities – Presentation of Financial Statements – Implementation Guide and Illustrations*, net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed stipulations. Accordingly, net assets of Aldersgate Renewal Ministries, Inc. and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Fellowship and/or the passage of time. Restrictions that are fulfilled in the same accounting period in which the contributions are received are reported in the statement of activities as unrestricted.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Fellowship. Generally, the donors of these assets permit the Fellowship to use all or part of the income earned and any related investments for general or specific purposes.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purpose are reported as temporarily restricted or permanently restricted support that increases those net asset classes.

D. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

F. Inventory

Inventory is stated at the average cost basis determined on the first-in, first-out basis. If inventory is donated, it is recorded at fair market value.

G. Property and Equipment

Property and equipment are recorded at cost or, if donated, at the estimated fair market value at the date of donation. Depreciation is computed using the straight-line method over the useful lives of the assets which range from five to thirty-nine years. Expenditures for repairs and maintenance are charged to expense as incurred.

H. Investments

Investments are stated at the readily determinable fair market value in accordance with FASB ASC 958-320, *Not-for-Profit Entities – Investments – Debt and Equity Securities*. All interest, dividends and unrealized gains and losses are reported in the statement of activities as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or by law. The carrying value of current assets and current liabilities approximate fair values due to the short maturities of these instruments. The fair value of the long-term debt approximates the carrying amount and is estimated based on current rates offered to the Fellowship.

I. Revenue Recognition

Contributions are recognized as revenue when received.

Contributed assets are recorded at fair value at the date of donation.

Conference fees are recognized as revenue during the year in which the conference held relates to the fees collected.

J. Vacation and Sick Time

The Fellowship allows for paid vacation and sick time. It allows full time employees to receive two to four weeks of paid vacation based upon their years of service. Management has elected not to accrue vacation time because the amounts cannot be reasonably estimated and does not materially affect the financial statements.

Sick time is earned at a rate of one day per month, but the policy does not provide any remuneration for unused time. Sick time is carried over each year with a maximum available of forty-eight days.

See auditor's report

NOTE 7 – RETIREMENT PLAN

The Fellowship participates in a 403(b) tax-sheltered annuity plan in which all full time employees with one year of service are eligible to participate. Contributions to the plan are determined by the Board of Directors. The Fellowship contributed \$14,343 to the plan in 2012.

NOTE 8 – ENDOWMENT FUND

During 2000, a donor established a Donor Advised Matching Gift Fund. However, the donor asked to be and was released from his promise to pay the endowment. Giving the release in return released the Fellowship from any and all restrictions placed on the Endowment. The Executive Committee elected to continue to manage the fund as the donor intended.

The Fellowship's Executive Committee has set up and elected an additional committee to oversee the matters of the Endowment Fund. The Fund is to be a capital building investment. The Fellowship's goal is to draw 2% less than the annual return of the Fund balance each year for the ministry programs. However, with committee and board approval, the Fellowship has used additional funds as the ministry has needed.

NOTE 9 – SUBSEQUENT EVENTS

The Fellowship has evaluated events and transactions for subsequent events that would impact the financial statements for the year ended December 31, 2012 through June 19, 2013, the date the financial statements were available to be issued. There were no subsequent events that require recognition in the financial statements.
