**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
Tennessee Lions Charities, Inc.  
Nashville, Tennessee

I have audited the accompanying financial statements of Tennessee Lions Charities, Inc., (the organization), a nonprofit organization which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audits in accordance with the auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tennessee Lions Charities, Inc. as of June 30, 2014 and 2013, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

A handwritten signature in black ink, appearing to be "D. P. Gentry", written over the text of the opinion.

**(A TENNESSEE CORPORATION – NOT FOR PROFIT)**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2014 AND 2013**

**(1) SIGNIFICANT ACCOUNTING POLICIES:**

**Organization** – Tennessee Lions Charities, Inc. (the Organization) was formed on October 1, 1995 to provide financial support and volunteer involvement in health care programs; primarily for preventable and curable eyesight difficulties with a special emphasis on pediatric vision problems in very young children. The Organization is affiliated with Lions Clubs Volunteer Services, Inc., Lions Clubs International, Lions Clubs International Foundation, as well as other Lions Clubs organizations and chapters throughout Tennessee. The Organization was involved in one program of service, the Operation KidSight Campaign, which was a project to raise money to fund the Tennessee Lions Eye Center (Eye Center) at Vanderbilt Children's Hospital in Nashville, Tennessee. During the year ended June 30, 2004, the Organization met its \$4,000,000 goal that established the Eye Center and, therefore, ended the Operation KidSight Campaign. Currently, the Organization is involved in one program of service, KidSight Outreach, which is a project to raise money to fund the outreach activities of the Eye Center. As of June 30, 2014, volunteers using the latest specially designed vision screening equipment designed for preschool children have screened approximately 469,505 children. The Organization plans to continue to fulfill its mission by continuing to raise support for the KidSight Outreach Vision Screening Program and creating new programs in the future.

**Accrual Basis** – The financial statements of the Organization are prepared using the accrual basis of accounting, under which income is recognized when earned rather than when collected and expenses are recognized when incurred rather than when disbursed.

**Basis of Presentation** – Financial statement presentation follows the recommendation of the Financial Accounting Standards Board in its Accounting Standards Codification ASC 958-225 (formerly SFAS No. 117). Under ASC 958-225, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. A description of the three net asset categories follows:

**Unrestricted** – Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

**Temporarily Restricted** – Net assets whose use by the Organization is subject to donor-imposed restrictions that can be fulfilled by actions of the Organization pursuant to those restrictions or that expire by the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statements of Activities and Changes in Net Assets as net assets released from restrictions.

**Permanently Restricted** – Net assets subject to donor-imposed restrictions that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. At June 30, 2014 and 2013, there were no permanently restricted net assets.

**Use of Estimates** – Management of the Organization has made a number of estimates and assumptions relating to the reporting of assets and liabilities and disclosure of contingent assets and liabilities to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from these estimates.

**Cash Equivalents** – For purposes of the Statements of Cash Flows, cash equivalents include any liquid investments with an original maturity of three months or less. At June 30, 2014 and 2013, there were no cash equivalents.

**Accounts Receivable** – An allowance for doubtful accounts is established through a provision for receivable losses charged to expense. Receivables are charged against the allowance when management believes the collectability of the receivable is unlikely. Management's estimate of doubtful accounts is based on historical collection experience and a review of the current status of accounts receivable. It is reasonably possible that management's estimate of the allowance for doubtful accounts could change. There was no bad debt expense recognized in 2014 and 2013 related to accounts receivable.

Accounts receivable are considered delinquent after sixty days. Late fees and interest are not assessed on delinquent accounts. It is not the policy of the Organization to place a club or vendor on non-accrual status. As of June 30, 2014 and 2013, there were no outstanding receivables.

**Investments** – Investments consist of marketable securities

Investments in equity securities with readily determinable fair values and all debt securities are carried at fair value with gains and losses included as unrestricted on the Statements of Activities and Changes in Net Assets. Other investments (such as real property) are carried at the lower of cost or fair value.

**Promises to Give** – Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional.

The Organization uses the allowance method to determine uncollectible unconditional promises to give. The allowance is based on prior years' experience and management's analysis of specific promises made. It is reasonably possible that management's estimate of the allowance for doubtful promises to give could change.

Promises to give are not considered delinquent until the program is completed. It is not the Organization's policy to place a club on non-accrual status. There were no promises to give and no bad debt expense for the years ended June 30, 2014 and 2013.

**Property, Building and Equipment** – Property, building and equipment are stated at cost or, if donated, at fair market value at the date of gift. Upon retirement or disposition, costs and accumulated depreciation are removed from the accounts, and the resulting profit or loss is reflected in income. Maintenance and repairs and items under \$600 are charged to expense as incurred. Property, building and equipment are depreciated using the straight-line method over the estimated useful lives of the assets, which range from three to thirty years.

**Contributions** – Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and/or nature of any donor restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statements of Activities and Changes in Net Assets as net assets released from restrictions.

**Income Taxes** – The Internal Revenue Service granted the Organization exempt status under Code Section 501(c)(3) as a charitable organization, and has classified it as other than a private foundation as defined in Code Section 590(a). Tax returns for the years ended June 30, 2014, 2013 and 2012 are subject to routine audit by federal authorities.

**Contributed Services** – A substantial number of unpaid volunteers have made significant contributions of their time to develop the Organization's programs, particularly in the areas of program service and fund raising. No amounts have been recognized in the accompanying financial statements because the criteria for recognition of such volunteer effort under ASC 958-605 (formerly SFAS No. 116, *Accounting for Contributions Received and Contributions Made*), have not been satisfied.

## **(2) RELATED PARTY TRANSACTIONS:**

The Organization received donated services and use of office equipment from Lions Clubs Volunteer Services, Inc. (LCVS), an affiliated organization. No expense or revenue has been recorded on the books for the years ended June 30, 2014 and 2013 due to the immateriality of the amount involved.

**(3) INVESTMENTS:**

Investments are stated at fair value and are summarized at June 30 as follows:

	<u>2014</u>		<u>2013</u>	
	<u>Market</u>	<u>Cost</u>	<u>Market</u>	<u>Cost</u>
Cash and cash equivalents	\$ 11,034	\$ 11,034	\$ 37,054	\$ 37,054

Investment income	\$ 25,402	\$ 16,487
Investment fees	<u>(5,019)</u>	<u>(4,154)</u>
	<u>\$ 20,383</u>	<u>\$ 12,333</u>

**(4) FAIR VALUE MEASUREMENTS:**

The Fair Value Measurements and Disclosures topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs would be used only when Level 1 or Level 2 inputs were not available.

The Organization's investments are reported at fair value in the accompanying statement of financial position as of June 30, 2014 and 2013, respectively:

**Fair Value Measurements at June 30, 2014**

	<u>Fair Value</u>	<u>Quoted Market Prices (Level 1)</u>
<b><u>Financial Assets:</u></b>		
Investments, at fair value		
Cash and cash equivalents	\$ 11,034	\$ 11,034
Mutual funds - Equity	518,196	518,196
Mutual funds - Fixed income	-	-
	<u>\$ 529,230</u>	<u>\$ 529,230</u>

**Fair Value Measurements at June 30, 2013**

	<u>Fair Value</u>	<u>Quoted Market Prices (Level 1)</u>
<b><u>Financial Assets:</u></b>		
Investments, at fair value		
Cash and cash equivalents	\$ 37,054	\$ 37,054
Mutual funds - Equity	345,583	345,583
Mutual funds - Fixed income	82,420	82,420
	<u>\$ 465,057</u>	<u>\$ 465,057</u>

The following methods and assumptions were used to estimate the fair value for each class of financial investment measured at fair value:

**Cash and Cash Equivalents**

Investments in certain cash and cash equivalents represent investments in money market accounts. These investments are classified as Level 1 as they are traded in an active market for which daily closing prices, measured primarily on a net asset value basis, are available.

**Equity**

Investments in domestic equities represent investments in commingled funds that invest primarily in equity securities of companies based in the United States. These investments are classified as Level 1 as they are traded in an active market for which daily closing prices, measured primarily on a net asset value basis, are available.

**Fixed Income**

Investments in certain fixed income securities represent investments in debt securities. These investments are classified as Level 1 as they are traded in an active market for which daily closing prices are available.

**(5) PROPERTY, BUILDING AND EQUIPMENT:**

Property, building and equipment consist of the following at June 30, 2014 and 2013:

	<u>2014</u>	<u>2013</u>
Land	\$ 240,000	\$ 240,000
Building and improvements	870,495	870,495
Furniture, fixtures + equipment	107,107	104,597
	<u>\$ 1,217,602</u>	<u>\$ 1,215,092</u>
Less: Accumulated depreciation	(544,893)	(514,619)
	<u><u>\$ 672,709</u></u>	<u><u>\$ 700,473</u></u>

**(6) LEASING ARRANGEMENTS:**

The Organization leases office space and land to unrelated third parties under operating leases expiring October, 2019 and July, 2014, respectively. Minimum future rentals to be received for years ending June 30 under the leases are as follows:

2015	\$ 63,201
2016	63,076
2017	63,076
