INDEPENDENT AUDITORS' REPORT

To the Board of Directors

Christian Women's Job Corps of Middle Tennessee (D/B/A Begin Anew of Middle Tennessee)

Report on the Financial Statements

We have audited the accompanying financial statements of Christian Women's Job Corps of Middle Tennessee (D/B/A Begin Anew of Middle Tennessee, a Tennessee not-for-profit corporation, the "Organization"), which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, (collectively, financial statements).

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Christian Women's Job Corps of Middle Tennessee (D/B/A Begin Anew of Middle Tennessee) as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES

Established in 1997, Christian Women's Job Corps of Middle Tennessee (D/B/A Begin Anew of Middle Tennessee, the "Organization") is a poverty reduction program, which implements the best practices for reducing the effect of poverty on individuals and on our community, by creating positive outcomes through a faith based educational program and a life changing community. The mission is to empower individuals to overcome the obstacles caused by poverty by providing education, mentoring and resources.

Education, training and mentoring is provided to low income working women and men seeking basic skills necessary for employment and a self-sufficient life. At no cost to the student, the holistic program provides an individual the support and knowledge to change their circumstances and their lives. As they obtain the education, skills and support to overcome the obstacles in their lives, they will begin "A Journey to A Brighter Future".

Four program tracks are available to students; GED, Computer and Job Skills, English as a Second Language, and Literacy. Additional services are provided to each student to assist in overcoming obstacles that might prevent them from reaching their education, employment or personal goal. These services include a mentor, a job coach, and child care for their children while they attend classes, and a case manager to assist with crisis which might arise in their lives. The goal for these "wrap around services" is to help students to obtain self-sufficiency through obtaining employment, job training, education, housing, transportation, childcare and medical care.

The Organization offers this holistic Poverty Reduction Adult Education Program at three satellite locations; Nashville, Madison, and Williamson County (Franklin). The demographics of our students are as follows: 39% African American, 27% Caucasian, 29% Hispanic, and 7% other nationality. Typically 75% of the students are women and 25% of the students are men. Students range in age from 18-56 with the majority between 25 and 35.

Central to the Organization's mission and ability to provide programs are volunteers who come alongside each student as a teacher, tutor, mentor, and childcare provider. Our volunteers are highly trained, supervised by a Satellite Coordinator and are as committed to their volunteer assignment as they would be if they were a staff member. Mentors meet weekly with their assigned student. There are over 250 volunteers with 2/3 serving once or twice per week for 2 to 4 hours as teachers and tutors in GED, ESL, tutoring, computer, job and life skills or as childcare providers. It is in this nurturing environment that students are facing the challenges of life, setting personal and educational goals for themselves and their children and succeeding in reaching them.

The Organization is primarily supported by donations from churches, individuals, corporations and special fundraising events.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosures of commitments and contingencies. Actual results could differ from those estimates.

Income Taxes

The Organization is exempt from federal and state income taxes under Internal Revenue Code Section 501 (c) (3) and the tax laws of the state of Tennessee.

Accounting principles generally accepted in the United States of America require the Organization to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The management has analyzed the tax positions taken by the Organization and has concluded that as of December 31, 2015, no uncertain positions are taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Organization is no longer subject to U.S. federal income tax examinations by tax authorities for years before 2012.

Contributions

Contributions are recognized when the donor makes an unconditional promise to give to the Organization. The Organization uses the allowance method to determine uncollectible unconditional contributions receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire during the year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2015 AND 2014**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash

Cash consists of checking and money market deposits in financial institutions.

Investments

Investments are composed of certificates of deposit, equity securities, and mutual funds and are valued at quoted fair market price.

Furniture and Equipment and Depreciation

The Organization follows the practice of capitalizing, at cost, all expenditures for furniture and equipment in excess of \$1,000. Donations of furniture and equipment are recorded as revenues at their estimated fair value. Such donations are reported as unrestricted revenues unless the donor has restricted the donated asset to a specific purpose. When depreciable assets are disposed of, the cost and related accumulated depreciation are removed from the accounts, and any gain (except on trade-in) or loss is included in the statements of activities and changes in net assets for the period. A gain on trade-in is applied to reduce the cost of the new acquisition. Depreciation is provided over the estimated useful life of three years and is computed on the straight-line method.

Deferred Special Event Revenue

Deferred special event revenue represents proceeds received in advance, net of related prepaid expenses, for the Organization's annual fundraiser which are not considered earned by the Organization (or expenses incurred) until after the event has been held.

NOTE 3 - CONTRIBUTIONS RECEIVABLE

Contributions receivable are considered current since they are expected to be collected within one year. No allowance for uncollectible receivables was deemed necessary as of December 31, 2015 and 2014.

The investments held by the Tennessee Baptist Foundation are for the establishment of a general, operational endowment. Total investment income on these investments was \$2,025 and \$14,165 for 2015 and 2014, respectively. This investment income includes realized and unrealized (losses) gains of (\$3,611) and \$8,946 for 2015 and 2014, respectively. See Note 6 for information regarding this endowment.

The investments held with a Broker are for a scholarship endowment. Total investment loss on these investments was (\$205) for 2015. This investment income includes realized and unrealized losses of (\$240) for 2015. See Note 6 for information regarding this endowment.

Accounting principles generally accepted in the United States of America require the Organization to disclose the basis for considering market participant assumptions in fair value measurements. Fair value accounting standards establish a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity including quoted market prices in active markets for identical assets (Level 1), or significant other observable inputs (Level 2) and the reporting entity's own assumptions about market participant assumptions (Level 3). All of the Organization's investments are valued using level 1 inputs.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2015 AND 2014**

NOTE 6 - NET ASSET RESTRICTIONS AND DESIGNATIONS (CONTINUED)

The general, operational endowment consists of a permanently restricted contribution and funds designated by the Organization's board of directors. During 2015, the Organization made contributions to the unrestricted – designated portion of the endowment of \$16,718. Currently, the earnings on the invested funds are being added to the designated portion of the endowment fund until such time the balance is sufficient to begin using the earnings for operations. The funds are held with the Tennessee Baptist Foundation as described in Note 4.

The scholarship endowment (known as the Dawn Ferguson Scholarship) was funded during 2015 with memorial contributions totaling \$31,619 that were designated by the board of directors to honor a longtime volunteer. The Organization plans to use the endowment to assist applicants with attending accredited educational institutions or to fund the Organization's classroom activities. During 2015, no scholarships were granted and no funds were transferred to fund classroom activities. The funds are held with a broker as described in Note 4.

NOTE 7 - LEASING ARRANGEMENTS

Through May of 2014, the Organization subleased the fifth floor premises of a building located in downtown Nashville owned by First Baptist Church Nashville. The lease called for monthly payments of \$600 to cover utilities as well as payments for other shared building expenses. Effective May 2014, the Organization ended this lease and moved its administrative offices to facilities provided by the Nashville Baptist Association ("NBA" – see Note 9). This year-to-year lease does not require a specific rent; however, the Organization pays \$600 per month to share in covering the cost of utilities. The Organization also reimburses the NBA for any office related expenses such as copier use and postage. Additional in-kind contributions have been included in the financial statements for these leases.

The Organization also has leases with five churches that provide office and/or classroom space for programming. Four of these leases are rent-free with the fifth lease calling for payments of \$300 per month. The value of these leases have been included in the in-kind contributions described in Note 8.

Various program help for the Organization including mentoring, teaching, tutoring, child care, job coaching, fundraising, and board service was provided by volunteers of the surrounding communities. Those donated services have not been reflected in the accompanying financial statements because they did not meet the criteria for recognition. Management estimates that the fair value of donated services received but not recognized as revenues was approximately \$295,000 and \$166,000 for the years ended December 31, 2015 and 2014, respectively.

NOTE 9 - RELATED PARTY TRANSACTION

As more fully described in Note 7, the Organization leases space from the NBA whose executive director is a family member of one of the Organization's management team personnel. A total of \$7,200 and \$3,600 was paid to NBA during 2015 and 2014, respectively. Also, during 2015 and 2014, the Organization received contributions totaling \$1,000.

NOTE 10 - EVALUATION OF SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through June 10, 2016 which is the date the financial statements were available to be issued.
