Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of American Civil Liberties Union of Tennessee Foundation, Inc. and American Civil Liberties Union of Tennessee, Inc., as of March 31, 2016 and March 31, 2015, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

The American Civil Liberties Union of Tennessee Foundation, Inc. (a nonprofit organization) and The American Civil Liberties Union of Tennessee, Inc. (a nonprofit organization) are incorporated under the laws of the state of Tennessee. Their missions are to protect and expand individual liberties through public education and provide legal assistance to aggrieved persons in litigation for the purpose of providing Bill of Rights protection.

Basis of Accounting

The combined financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. Revenue is recognized when earned and expenses are recorded when incurred.

Basis of Presentation

The Combined Financial Statements include American Civil Liberties Union of Tennessee Foundation, Inc. and American Civil Liberties Union of Tennessee, Inc. (collectively, the "Organization"). The accompanying combined financial statements are presented in accordance with FASB ASC 958-205, Not-for-Profit Entities - Presentation of Financial Statements. Under FASB ASC 958-205, the Organization is required to report information regarding their financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently. Generally, the donors of these assets permit the organization to use all or part of the income earned on related investments for general or specific purposes.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restrictions.

Cash

For purposes of the combined statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Equipment and leasehold improvements

Equipment and leasehold improvements are recorded at cost at the date of purchase or fair value at the date of donation. Depreciation is taken on a straight-line basis over the estimated useful life of the assets. Expenditures that substantially increase the useful lives of existing equipment and leasehold improvement items are capitalized, while expenditures for maintenance, repairs, and minor improvements are expensed as paid. Management periodically reviews the values assigned to long-lived assets to determine if any impairments exist that are other than temporary. Depreciation expense for the years ended March 31, 2016 and 2015, was \$4,329 and \$6,819, respectively.

Compensated Absences

Employees of the Organization are entitled to paid vacation time, depending on job classification, length of service, and other factors. The Organization's policy is to recognize the time cost of compensated absences when actually paid to employees. The Organization cannot reasonably estimate accrued compensated absences at March 31, 2016 and 2015.

Bill of Rights Trust

The Bill of Rights Trust represents the Organization's unit holdings in the National Endowment held by the National Foundation, which is a separate organization holding a common investment pool in which the Organization and other affiliated foundations may participate. The National Endowment's underlying investments are primarily mutual funds, exchange-traded funds, structured notes, hedge funds, and money market savings accounts, all of which are publicly traded.

Investment income includes interest and distribution of investments which are recorded when earned or declared. Realized gains and losses on investment transactions are recorded based on the average cost method.

Investments

Investments in marketable securities with readily determinable fair values are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Support and Expenses

Grants and other contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as unrestricted contributions.

Income Taxes

The American Civil Liberties Union of Tennessee Foundation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

The American Civil Liberties Union of Tennessee is a not-for-profit organization that is exempt from income taxes under Section 501(c)(4) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

The Organization's Forms 990, Returns of Organizations Exempt from Income Tax for the years ending March 31, 2016, 2015, and 2014 are subject to examination by the IRS, generally for three years after filing.

Management has evaluated the Organization's tax positions and concluded that the Organization has taken no uncertain tax positions that require additional adjustment or disclosure to the accompanying combined financial statements.

Functional Allocation of Expenses

The costs of providing the programs and support services have been summarized on a functional basis in the statements of activities and schedules of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Major Revenue Sources

The Organization's primary source of revenue is base renewable income (shared revenues).

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of combined financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributed Services and Supplies

Certain individuals, including members of the board of directors, donate substantial time to the operations of the Organization. Revenues and expenses related to these services are not reflected in the combined financial statements. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

Subsequent Events

Management has evaluated subsequent events through January 5, 2017, the date the combined financial statements were available to be issued.

NOTE B - FAIR VALUE MEASUREMENT

FASB ASC 820-10, Fair Value Measurements, defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income, or cost approach, as specified by FASB ASC 820-10, are used to measure fair value. The fair value hierarchy prioritizes valuation techniques used to measure fair value into three broad levels:

Level 1 investments - Valuation based on unadjusted quoted prices within active markets for identical assets accessible by the Organization (e.g., prices derived from New York Stock Exchange, NASDAQ or Chicago Board of Trade).

Level 2 investments - Valuation based on quoted market prices for similar assets within active or inactive markets or information other than quoted market prices observable through market data for substantially the full term of the asset. The Organization did not hold any Level 2 assets at March 31, 2016 or 2015.

NOTE B - FAIR VALUE MEASUREMENT (CONTINUED)

Level 3 investments - Valuation based on inputs other than quoted market prices that reflect assumptions about the asset that market participants would use when performing the valuation based on the best information available in the circumstances.

The fair value of the Organization's investments at March 31, 2016, is as follows:

		 Level 3	
Mutual Funds	\$	197,165	\$ <u>=</u>
Bill of Rights Trust	3	(= ?	 195,412
Total	\$	197,165	\$ 195,412

The fair value of the Organization's investments at March 31, 2015, is as follows:

			Level 3	
Mutual Funds		\$	205,297	\$ ~
Bill of Rights Trust		<u> </u>	-	 206,870
Total	57.7	\$	205,297	\$ 206,870

Assets measured at fair value on a recurring basis using significant unobservable inputs:

		Bill of Rights Trust								
	N	March 31, 2016	N	March 31, 2015						
Beginning	\$	206,870	\$	196,486						
Purchases		-		-						
Gains (losses)		(11,458)		10,384						
Ending	\$	195,412	\$	206,870						

The Bill of Rights Trust ("Trust") is a non-endowment restricted voluntary investment holding. The value of the Trust is based on the value of the underlying assets held. Those assets are valued using fair value measurements. The total value of the Trust is reported to the Organization at a net asset value.

NOTE C - RETIREMENT PLANS

A defined benefit pension plan is provided by the National ACLU for employees hired before March 31, 2009. Contributions are actuarially determined each year by an independent consulting actuary enrolled with the IRS, and satisfy all minimum funding requirements established by the IRS and other governmental agencies. There is no cost to the employees for this benefit. Pension expense reported by the Organization for the years ended March 31, 2016 and 2015, was \$38,206 and \$35,547 respectively.

A 401(k) plan is also provided by the National ACLU for employees hired before March 31, 2009. Employees may choose to contribute up to 80% of their pay up to IRS legal limits and are always 100% vested in the contributions they choose to defer. There is no employer matching to this plan.

A new 401(k) plan was established for all employees hired on or after April 1, 2009, who are not covered under any other qualified profit sharing or pension plan to which the employer contributes. This plan provides for an automatic contribution. Employees are automatically enrolled to defer 3% of pay with an increase of 1% per year up to 10% of pay unless they choose to defer a different percentage or elect not to participate in the plan. The Organization will match 100% of employee contributions up to 1% of pay and 50% of employee contributions up to the next 5% of pay. The Organization may also make an additional contribution equal to 2% of pay for each pay period. Employer contributions become 100% vested after two years of service. There were no additional contributions by the Organization for the years ended March 31, 2016 and 2015. Employer 401(k) contribution expense reported by the Organization for the year ended March 31, 2016 and 2015, was \$8,595 and \$9,633 respectively.
