membership numbers for school programs increasing to 82,500. School  
programs, which make up the bulk of our participants annually, were the  
hardest hit from the outset of the pandemic and they remain the slowest  
to bounce back, particularly for international programs where several  
country programs were forced to dramatically curtail or fully pause  
programs due to local health guidelines and restrictions. Looking  
toward the upcoming academic year, we remain cautiously optimistic that  
our programs are poised to continue an upward trajectory.

Best Buddies Citizens

Throughout 2021 the Citizens program continued to gain interest and  
traction, with engagements steadily increasing all year and 7,858  
members involved in the program. Online events increased participation  
from members on a state and national level, providing vital engagement  
opportunities for Best Buddies members seeking to expand their social  
network. Staff members working with Citizens programs hosted national  
virtual events throughout the year, with the Friendsgiving event in

November having representation from nearly all Best Buddies offices across the country and approximately 209 people in attendance on Zoom. The opportunity to host virtual events has opened the door to cross-country friendships and a level of engagement never seen on this scale. We are excited to continue opportunities like this, both in Citizens and e-Buddies, throughout 2022.

### Best Buddies Colleges

Best Buddies' founding program continues to expand with 515 active chapters worldwide. The level of participation in college programs increased drastically in 2021 compared to the 2020 year when many schools were operating in a hybrid learning space. Membership and participation in the program increased drastically with the launch of the new school year, with nearly 24,000 members engaged in chapter events and activities. College engagement continues to thrive as school leaders work to form partnerships with other campus organizations, creating a larger and more robust network on campus that contributes to more awareness about the mission.

### Best Buddies High Schools

Best Buddies High Schools continues to serve as the largest Best Buddies school program with 1,407 chapters and 45,000 members. With many schools offering in-person programming in the second half of the year, the membership in high school chapters has drastically increased as chapters provided more opportunities for group events and chapter meetings that brought members together. While programming continues to evolve and many chapters returned to pre-pandemic event engagements, Best Buddies staff will continue to support and engage leaders to

create innovative and creative programming to best support the needs of their chapter members while adhering to local health requirements.

### Best Buddies Middle Schools

In 2021, there were 501 chapters participated in Best Buddies with 6,478 members engaged worldwide. The Best Buddies Middle School program has maintained positive growth throughout the year and has positively benefitted from expansion efforts at the elementary school level which increase the pipeline of volunteers moving into middle school.

Supported by chapter advisors, every school club is led by two students - one with a disability and one without a disability - and all members are invited to participate in planning and executing events. Staff and chapter advisors continue to use creative, engaging methods to increase engagements and opportunities for chapter members, including the Harmony SEL program kits that foster connections with buddy up and meet up activities.

create friendships through engaging discussion posts, entertaining polls and Q&As, and interest groups. By participating in e-Buddies, members develop technology literacy skills and become more confident communicating online. This allows our participants to become more well-versed in this ever-changing mode of communication and socialization, which in turn, will help them to be better prepared for what the future brings.

for our international program members, as well as training designed specifically to engage Jobs program participants. Every Best Buddies State office works to support recruitment and training efforts for the State Ambassadors program, increasing opportunities in their chapters, communities, and states to share their stories and become more involved and empowered citizens. The Global Ambassadors program continues to thrive through virtual connections and speaking opportunities, with 15 individuals selected to lead the program during the 2021-2022 academic year.

#### Best Buddies Promoters

The Best Buddies Promoters program continues to see tremendous interest, especially at the elementary school level, as more school communities are looking to expand social impact opportunities for students in rural and urban communities. The elementary school level makes up over half of the chapters involved in the program, with 270 of the 515 chapters happening in the K-6 school environment. The addition of elementary school programs provides a direct feeder into existing middle school chapters, which bridges a significant community gap that often occurs when students transition into the middle school level.

#### Transition Services Program

Best Buddies Pre-Employment Transition Services (pre-ETS) combines classroom-based employment training workshops (virtually and in-person), experiential learning opportunities, and corporate mentorship to help students identify and develop their career ambitions as they prepare to enter the workforce. Designed for students aged 14-21, workshops and activities focus on self-advocacy and leadership

skill development for the workplace, exploration of work interests and relevant employment opportunities, and engagement in critical job readiness skills. Together, these experiences will increase the likelihood of long-term successful employment for people with IDD.

In 2021, Best Buddies provided 769 workshops to 518 students in the following markets across the United States including: Arizona, California, Florida, Illinois, Massachusetts, New Jersey, New Mexico, Texas, and Wisconsin. As a result of the project, it is the organization's goal that youth with IDD will have greater awareness of available career opportunities and be better equipped to find and secure meaningful integrated, competitive employment in a contracted, highly competitive job market.

Form 990, Part III, Line 4d, Other Program Services:

Best Buddies Living

The Best Buddies Living program fosters an integrated experience for people with and without IDD to become active, contributing citizens who live independently in a dynamic environment where they can learn, grow, and thrive. Best Buddies is currently operating two Living residences in Washington, D.C., with an additional program location opening in January 2022 in Miami, FL. Best Buddies Living has continued to grow and thrive despite the huge challenge presented by Covid and the expansion to Georgetown was a big part of the path to wider growth.

Residents grow and change immensely as part of their connection to the mission of Best Buddies. Living and learning with their peers is a major component of this growth. By creating a mutually enriching
