INDEPENDENT AUDITORS' REPORT

To the Board of Directors BrightStone, Inc.

We have audited the accompanying financial statements of BrightStone, Inc. (a Tennessee not-for-profit corporation, the "Organization"), which comprise the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BrightStone, Inc. as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES

BrightStone, Inc. (the "Organization") is a Tennessee not-for-profit corporation that provides a comprehensive work, educational, and social support community for adults with special needs, expanding their potential and helping them develop mentally, physically, emotionally, socially, and spiritually. The purpose is to provide lifelong education that enables individuals to learn and work at job skills which contribute to society and to their personal fulfillment; develop meaningful job skills and productive work habits; eventually provide housing with assistance as needed, while teaching living skills toward social, emotional, and spiritual growth; provide opportunities for a richer, more fulfilling life through learning, experiencing, and enjoying mental, physical, and recreational skills; inspire others to provide similar opportunities in other communities; and to serve as a research center to improve the training and education of functionally disabled adults. The Organization's support consists of funds received from individuals and foundations. The Organization's revenues consist primarily of tuition paid by the students attending the Organization's work and educational programs.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Reclassifications

Certain reclassifications have been made to the 2012 financial statement presentation to correspond to the current year's format. Net assets and changes in net assets are unchanged due to these reclassifications.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosures of commitments and contingencies. Actual results could differ from those estimates.

Cash

Cash includes checking and money market deposits held by financial institutions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a restriction is fulfilled (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted and reported in the statements of activities and changes in net assets as net assets released from restrictions. There were no permanently restricted net assets as of December 31, 2013 and 2012.

Contributions are recognized when the donor makes an unconditional promise to give to the Organization. The Organization uses the allowance method to determine uncollectible unconditional contributions receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

Contributed Services

Various volunteers donate many hours to the Organization's program services and fundraising campaigns. These contributed services are not reflected in the financial statements since the services do not require specialized skills. Property, equipment, classroom space, materials and other assets received as donations are recorded and reflected in the accompanying financial statements at their estimated fair values at the date of the receipt.

Revenue Recognition and Deferred Revenues

Tuition revenue is collected and recognized for the educational services provided to the adult students during the week. Tuition received in advance is recorded as deferred revenue and recognized as revenue in the month in which it is earned.

Revenue from product sales is substantially recognized when sold.

Contributions received in advance for the Organization's Writer's Night fundraiser are recorded as deferred revenue until the year of the event.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

The Organization's policy is to liquidate investments as soon as practical after the donation of investment securities is received. Occasionally, the Organization will have investment securities on the statements of financial position that have not been liquidated at year end. These investments, if any, are stated in the aggregate at market value and are considered level 1 securities.

Property and Equipment and Depreciation

It is the Organization's policy to capitalize all property and equipment over \$500. Property and equipment acquisitions are recorded at cost. Donations of property and equipment are recorded as revenues at their estimated fair value. Such donations are reported as unrestricted revenues unless the donor has restricted the donated asset to a specific purpose. When depreciable assets are disposed of, the cost and related accumulated depreciation are removed from the accounts, and any gain (except on trade-in) or loss is included in the statements of activities and changes in net assets for the period. A gain on trade-in is applied to reduce the cost of the new acquisition. Depreciation is provided over the estimated useful lives of the assets ranging from five to seven years and computed on an accelerated method.

Income Taxes

The Organization is exempt from federal and state income taxes under Internal Revenue Code Section 501 (c) (3) and the tax laws of the state of Tennessee.

Accounting principles generally accepted in the United States of America require the Organization to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The management has analyzed the tax positions taken by the Organization and has concluded that as of December 31, 2013, no uncertain positions are taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Organization is no longer subject to U.S. federal income tax examinations by tax authorities for years before 2010.

NOTE 3 - CONTRIBUTIONS RECEIVABLE

Contributions receivable are considered current since they are expected to be collected within one year. No allowance for uncollectible receivables was deemed necessary as of December 31, 2013 and 2012.

NOTE 4 - INVESTMENTS

All donated investments were sold by year-end; therefore, no investments were held by the Organization at December 31, 2013 or 2012. Realized losses on the liquidation of donated investments totaled \$124 and \$461 during 2013 and 2012, respectively.

NOTE 5 - PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

The note calls for an interest rate of 5.25% with monthly principal and interest payments of \$2,760 on a 20-year amortization with one final balloon payment due July 13, 2016. The loan is collateralized by the real property being financed.

NOTE 11 - EVALUATION OF SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through May 6, 2014 which is the date the financial statements were available to be issued.
