Dear Caleb Global,

This letter is to explain our understanding of the arrangements for the services we are to perform for Caleb Global for the year ended 2022.

We will prepare the Organization's annual federal return, any requested state tax returns, and any requested informational returns for the year ended 2022 from the information furnished to us by you. We will not audit or verify the data submitted to us, although we may ask you to clarify some of the information, or furnish us with additional data.

You have the final responsibility for the tax returns and, therefore, you should review them carefully before you sign and file them.

None of the services rendered can be relied on to detect errors, fraud, or other illegal acts that may exist. However, we will inform you of any material errors that come to our attention and any fraud or other illegal acts that come to our attention, unless they are clearly inconsequential. In addition, we have no responsibility to identify and communicate significant deficiencies or material weaknesses in your internal control as part of this engagement. However, during the course of our engagement, if we become aware of such conditions or ways in which we believe management practices can be improved, we will communicate them to you.

Our firm does not provide any opinion or expertise with regards to the structure and statutory compliance of your self-directed IRAs and self-directed 401ks. Please consult your trustee, financial advisor or attorney with questions or advice on such plans.

We will use our judgment in resolving questions where tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and what seem to be other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible.

Our fee for these services will be based upon the amount of time required at our standard billing rates, plus out-of-pocket expenses. We will bill you on that basis, and all invoices will be due and payable upon presentation.

The Organization's returns, of course, are subject to review by the taxing authorities. Any items which may be resolved against you by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses involved.

We want to express our appreciation for this opportunity to work with you, and we trust that this will be the continuation of a long and congenial association.

If this letter defines the arrangements as you understand them, please sign and date the enclosed copy and return it to us. If not, please let us know what changes are needed.

Yours very truly,
Puryear & Noonan, CPAs
