We are looking into providing (2) annual college scholarships, in addition to providing a very unique service to the prison systems in the US. This is all early stages, but these 2 things, in addition to providing funding to organizations who utilize the trail systems for wellness are the main goals.

I am hoping that the fundraising totals will be much more than this.

We are brand new, and just last week received our final State Charitable paperwork approval.

Other than that, we are totally approved. That form is attached with this email.
