# INDEPENDENT AUDITORS' REPORT

The Board of Trustees of Catholic Charities of Tennessee, Inc.:

Report on the Financial Statements

We have audited the accompanying financial statements of Catholic Charities of Tennessee, Inc. (the "Organization"), which are comprised of the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Catholic Charities of Tennessee, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards, as required by Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

# Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 11, 2015, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

#### **Notes to Financial Statements**

June 30, 2015 and 2014

## (1) Summary of Significant Accounting Policies

#### (a) Reporting Entity

Catholic Charities of Tennessee, Inc. (the "Corporation" or "Organization" or "Catholic Charities") is a Tennessee not-for-profit corporation which operates charitable and social service programs throughout Tennessee, but primarily Middle Tennessee. Catholic Charities was incorporated in July 1962. The members of the Corporation are the Bishop, the Vicars General, and the Moderator of the Curia for the Catholic Diocese of Nashville. The business and affairs of the Organization are supervised by its Board of Trustees. The Trustees of the Board are appointed by the members of the Corporation.

The accompanying financial statements include programs that are supported by grants from the State of Tennessee, the Metropolitan Government of Nashville and Davidson County, Office of Refugee Resettlement and the United States Catholic Conference of Bishops. These financial statements have been prepared on the accrual basis of accounting.

Catholic Charities was designated by the Office of Refugee Resettlement, a division of U.S. Department of Health and Humans Services, to administer refugee resettlement programs in the state of Tennessee. The Tennessee Office for Refugees was created as a program within Catholic Charities of Tennessee to administer Refugee Cash Assistance, Refugee Medical Assistance, Medical Screenings, Social Services, School Impact Grants, and Targeted Assistance Grants to sub-grantee agencies across the state.

# (b) Basis of Presentation

Contributions, which include unconditional promises to give (pledges), are recognized as revenues in the period an unconditional promise is received. Contributions with donor-imposed restrictions that are met in the same year as received are reported as revenues of the unrestricted net asset class.

Grant revenue is recognized as expenses are incurred in accordance with the terms of the grant.

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Catholic Charities and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> - Net assets that are not subject to donor-imposed stipulations. Catholic Charities has chosen to provide further classification information about unrestricted net assets as follows:

<u>Undesignated</u> - Cumulative results from activities which have not been designated by Catholic Charities for specific purposes.

<u>Designated for future operations</u> - Cumulative results from activities which have been designated for future purposes.

<u>Designated for physical plant equity</u> - Net investment in equipment and leasehold improvements.

<u>Designated for renewal and replacement</u> - Amounts designated for future acquisitions of fixed assets or for renewals and repairs.

<u>Temporarily restricted net assets</u> - Net assets subject to donor-imposed stipulations that may be met by actions of Catholic Charities and/or the passage of time.

<u>Permanently restricted net assets</u> - Net assets subject to donor-imposed stipulations that they be maintained in perpetuity. Currently, Catholic Charities has no such permanently restricted net assets.

Support and revenue are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Realized gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions between the applicable classes of net assets.

## (c) Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## (d) Cash, Cash Equivalents, and Annual Deposits with CCIL

Catholic Charities maintains cash balances on deposit with Catholic Community Investment and Loan, Inc. ("CCIL"). CCIL is a not-for-profit public benefit and charitable corporation established to loan funds to parishes and entities subject to the canonical jurisdiction of the Bishop of Nashville as well as to invest pooled deposits. These cash balances are not insured; however, Catholic Charities has not experienced any losses in such accounts and management believes the Organization is not exposed to any significant credit risk related to cash and equivalents or the annual fund deposits with CCIL.

Catholic Charities considers all cash and highly liquid investments held with original maturities of less than three months to be cash equivalents. Cash and cash equivalents includes check and savings accounts on deposit with CCIL.

Annual fund deposits with CCIL have a one year maturity and pay 5.0% interest. At maturity, annual deposits automatically renew for another one-year term at the then current interest rate unless, prior to renewal, the Organization instructs CCIL to disburse the funds. Early withdrawal charges are also incurred on the annual deposits if the deposits are withdrawn before the term has ended. The early withdrawal penalty is equal to three months of interest.

# (e) Receivables and Credit Policies

Accounts receivable are from grantors and clients. The carrying amount of accounts receivable is reduced by a valuation allowance, if necessary, which reflects management's best estimate of the amounts that will not be collected. The allowance is estimated based on management's knowledge of grantors and clients, historical loss experience and existing economic conditions.

#### (f) Equipment and Leasehold Improvements

Equipment and leasehold improvements are stated at cost or fair market value at the date of gift if acquired by donation, net of accumulated depreciation. Depreciation is computed on the straight-line basis over the estimated useful lives of the assets. Equipment, furnishings and vehicles are generally depreciated over a period between three and ten years. Leasehold improvements are amortized over the shorter of the estimated useful lives or the term of the lease. Estimated salvage value of assets is zero. The Organization's capitalization policy is to capitalize any expenditures over \$5,000 with a useful life greater than two years.

Expenditures for maintenance and repairs are expensed when incurred. Expenditures for renewals or betterments are capitalized. When assets are retired or sold, the cost and the related accumulated depreciation and amortization are removed from the accounts, and the resulting gain or loss is included in operations.

#### (g) Functional Categories

The allocation of salaries and other direct and indirect expenditures into functional categories is based upon the amount of time spent in the various functions by Catholic Charities' personnel, space utilized for various functions, and other appropriate bases of allocation.

#### (h) Income Taxes

Catholic Charities is exempt from federal and state income taxes; accordingly, no provision for income taxes has been made in the accompanying financial statements. A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. Catholic Charities does not believe there are any material uncertain tax positions and, accordingly, it has not recognized any asset or liability for unrecognized tax benefits.

As of June 30, 2015 and 2014, Catholic Charities had accrued no interest and no penalties related to uncertain tax positions. It is Catholic Charities' policy to recognize interest and/or penalties related to income tax matters in income tax expense. Catholic Charities files U.S. Federal information tax returns and is currently open to audit under the statute of limitations by the Internal Revenue Service for the years ended after June 30, 2011.

#### (i) Impairment of Long-lived Assets

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell.

#### (2) Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurement, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The fair values of cash and highly liquid investments, included in cash and cash equivalents or annual fund deposits with CCIL, are determined based upon their quoted redemption prices and recent transaction prices of \$1.00 per share (Level 2 inputs), with no discounts for credit quality or liquidity restriction. The Organization does not have any fair value measurements using significant unobservable inputs (Level 3) as of June 30, 2015 or 2014.

### (3) Equipment and Leasehold Improvements

Equipment and leasehold improvements consist of the following:

|  | <u>2015</u>                    | <u>2014</u>                    |
|--|--------------------------------|--------------------------------|

|  | 712,624                        | 649,986                        |
| Less accumulated depreciation and amortization | 607,437                        | <u>590,991</u>                 |
| Equipment and leasehold improvements, net      | \$ 105,187                     | <u>\$ 58,995</u>               |

#### (4) Employee Benefit Plans

Catholic Charities participates in two retirement plans currently sponsored by the Catholic Diocese of Nashville (the "Diocese"). They are as follows:

# (a) <u>Defined Benefit Pension Plan</u>

Catholic Charities participates in a non-contributory defined benefit plan which is funded based on the required contribution each year as determined by the Diocesan Lay Retirement Board of Trust of the Diocese, and is calculated as a percentage of eligible employees' compensation. During 2015 and 2014, Catholic Charities contributed 5% of the eligible employees' compensation to the plan each year. Participants vest in all employer contributions to the plan as follows: after three years of service 20%, increasing 20% for each year of additional service until participants are fully vested after seven years of service.

The following table sets forth the benefit obligations, fair value of plan assets, and funded status (in thousands) of the noncontributory pension plan in which Catholic Charities is a participant as of January 1, 2015 and 2014:

|   | <u>2015</u>   | <u>2014</u>     |
|---|---------------|-----------------|
| Pension benefits (in thousands):              |               |                 |
| Benefit obligation at end of plan year        | \$ (37,970)   | \$ (34,979)     |
| Plan assets at fair value at end of plan year | <u>39,913</u> | 37,222          |
| Funded Status                                 | \$ 1,943      | <u>\$ 2,243</u> |

Contributions to the defined benefit retirement plan were \$198,042 and \$199,558 for the years ended June 30, 2015 and 2014, respectively.

#### (b) <u>Defined Contribution Benefit Plan</u>

Catholic Charities participates in a defined contribution plan as a supplement to the defined benefit pension plan. Employees are permitted to contribute 100% of their compensation to the defined contribution plan subject to certain Internal Revenue Code limitations. For those employees who contribute at least 3% of their compensation to the plan, Catholic Charities contributes a 100% match of 3% of the employee's compensation. Participants are 100% vested in their elective contributions and the employers' matching contributions.

Contributions to the defined contribution plan were \$94,516 and \$91,136 for the years ended June 30, 2015 and 2014, respectively.

#### (5) Temporarily Restricted Net Assets

Temporarily restricted net assets as of June 30, 2015 and 2014 are available for the following purposes or periods:

|  | <u>2015</u>       | <u>2014</u>       |
|--|-------------------|-------------------|
| Subsequent year operations - programmatic restrictions | \$ 449,089        | \$ 446,589        |
| Other restricted programmatic purposes                 |                   | 258,783           |
|  | <u>\$ 449,089</u> | <u>\$ 705,372</u> |
|  |                   |                   |

During 2015 and 2014, net assets released from restrictions related to the utilization of funds restricted to programs.

#### (6) Lease Commitments

The Organization leases certain real property and equipment under arrangements classified as operating leases. Total rent expense under operating leases paid to lessors amounted to \$533,508 and \$539,381 in 2015 and 2014, respectively. Certain lease agreements are with the Catholic Diocese of Nashville (the "Diocese") and affiliated entities. Rental expense to the Diocese and affiliated entities totaled \$261,132 and \$259,302, respectively, in 2015 and 2014.

A summary of total rental expenses to the Diocese and affiliated entities for fiscal years 2015 and 2014 is as follows:

|                               | <u>2015</u>       | <u>2014</u>       |
|-------------------------------|-------------------|-------------------|
| Catholic Diocese of Nashville | \$ 168,358        | \$ 168,358        |
| Holy Name Church              | 65 <i>,</i> 759   | 63,929            |
| Our Lady of Guadalupe Church  | <u>27,015</u>     | <u>27,015</u>     |
|                               | <u>\$ 261,132</u> | <u>\$ 259,302</u> |

A summary of total net future minimum payments under these leases as of June 30, 2015 is as follows:

| <u>Year</u> | <u>Total</u> |
|-------------|--------------|
| 2016        | \$ 234,257   |
| 2017        | 94,428       |
| 2018        | 30,585       |
| 2019        | 4,494        |
| 2020        | 1,505        |
|             | \$ 365,269   |

#### (7) Grants and Contracts

Expenditures related to federal and state grants and contracts are subject to adjustment based upon review by the granting agencies. Catholic Charities does not anticipate that adjustments, if any, arising from such reviews will have a material effect on the statement of financial position.

#### (8) Transactions with the Catholic Diocese of Nashville

Catholic Charities purchases certain services from the Diocese, under separate operating agreements including human resources, software support and maintenance, and payroll services. Fees for these services totaled \$48,668 in 2015 and 2014 and are included in Purchased Services in the statements of functional expenses.

#### (9) In-Kind Donations

Many individuals volunteer their time and perform a variety of tasks that assist the agency with program services. No amounts have been reflected in the financial statements for these donated services since the volunteers' time does not meet the criteria for recognition under ASC Topic 958, *Not for Profit Entities*. Donated goods and space are recognized in the financial statements at fair market value when received.

#### (10) Commitments and Contingencies

Catholic Charities has one major program that is subject to grant matching requirements, the Match Grant/Free Case Resettlement program. This program is eligible for a 50% matching requirement, 20% of which must be cash or cash equivalent. The required match for fiscal year 2015 grant was \$235,019 with at least \$47,004 consisting of a cash or cash equivalent match. The required match for fiscal year 2014 was \$243,634, with at least \$48,713 consisting of a cash or cash equivalent match.

# (11) Related Party Transactions

The Organization, on certain occasions, purchases goods or services from companies or organizations that are affiliated with or owned, directly or indirectly, by members of the board of directors. In the opinion of management, such matters are consistent with the application of the conflict of interest policies and procedures adopted by the board and reviewed annually by the audit committee.

# (12) Subsequent Event

Effective July 1, 2015, the Organization assumed management responsibilities and obtained a voting majority control of St. Mary Villa, Inc. (the "Center"), a child care facility. Under the terms of the management agreement, the Organization is responsible for providing financial and administrative oversight of the Center. Additionally, the Organization has a seat on the board of trustees of the Center, the voting interest of which is equal to one more vote than all other trustees.

The Organization has evaluated events and transactions that occurred between June 30, 2015 and November 11, 2015 which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

# Notes to the Schedule of Expenditures of Federal and State Grant Awards

Year ended June 30, 2015

#### (1) Basis of Presentation

The accompanying Schedule of Expenditures of Federal and State Grant Awards (the "Schedule") includes the federal and state grant activity of Catholic Charities of Tennessee, Inc. (the "Organization"). The information in the Schedule is presented in accordance with the requirements of OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

# (2) <u>Summary of Significant Accounting Policies for Federal and State Expenditures</u>

For purposes of the Schedule, expenditures of federal and state awards are recognized on the accrual basis of accounting.

Independent Auditors' Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance with Government Auditing Standards

The Board of Trustees of Catholic Charities of Tennessee, Inc.:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Catholic Charities of Tennessee, Inc. (the "Organization"), which are comprised of the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated November 11, 2015.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# Program and on Internal Control Over Compliance Required by OMB Circular A-133

The Board of Trustees of Catholic Charities of Tennessee, Inc.:

Report on Compliance for Each Major Federal Program

We have audited the compliance of Catholic Charities of Tennessee, Inc. (the "Organization") with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2015. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

#### Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *OMB Circular A-133*, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

#### Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

# **Report on Internal Control Over Compliance**

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
