Report on the Financial Statements

We have audited the accompanying financial statements of The Journey Home (a nonprofit organization) which comprise the statement of financial position as of December 31, 2014 and the related statement of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Journey Home as of December 31, 2014, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Supplementary Information

We have audited the financial statements of The Journey Home as of and for the year ended December 31, 2014, and have issued our report thereon dated November 2, 2015, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 13 - 14 is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014

Note 1 – Nature of Operations

The Journey Home (the Home), a tax-exempt organization under Internal Revenue Code 501(c)(3), a Christian ministry whose primary focus is to serve the homeless and disadvantaged of Rutherford County - providing practical resources for body, mind and spirit, and encouragement on their journey to economic stability and reintegration into community life. The financial statements of the Home have been prepared on the accrual basis.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in its Accounting Standards Codification (ASC) No. 958-205, *Financial Statements of Not-for-Profit Organizations*. Under those provisions, net assets and revenues, gains, and losses are classified based on the absence or existence and nature of donor-imposed restrictions as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may be met either by actions of the Home and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Home. Generally, the donors of these assets permit the Home to use all or part of the income earned on related investments for general or specific purposes.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Donor restricted contributions whose restrictions are met in the same reporting period as the contributions are recorded as increases in unrestricted net assets.

Note 2 - Summary of Significant Accounting Policies (Continued)

b. Contributions

The Home accounts for contributions in accordance with the recommendations of the FASB in ASC 958-605, *Accounting for Contributions Received and Contributions Made*. Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional; that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. An allowance for uncollectible contributions receivables is provided based upon management's judgment, including such factors, as prior collection history, type of contribution, and nature of fund-raising activity.

Contributions receivable consist of unconditional promises receivable from donors.

d. Inventories

Inventories consisting of prepared and unprepared food, clothing, and various household supplies are valued at the lower of cost or market.

e. Land, Buildings, and Equipment

Land, buildings, and equipment are stated at cost, net of accumulated depreciation. Depreciation of buildings and equipment is provided on a straight-line basis over the estimated useful lives of the assets.

f. Taxes

The Home is a tax-exempt institution under Internal Revenue Code 501(c)(3); accordingly, no provision for income taxes has been made in the accompanying financial statements.

The Home accounts for uncertainties in income tax law under FASB ASC 740-10 which prescribes a comprehensive model for the financial statement recognition, measurement, presentation and disclosure of uncertain tax positions taken or expected to be taken in income tax returns. ASC 740-10 requires that the tax effects of a position be recognized only if it is "more-likely-than-not" to be sustained by the taxing authority as of the reporting date. If the tax position is not considered "more-likely-than-not" to be sustained, then no benefits of the position are to be recognized. The Home has no unrecognized tax benefits for any of the periods presented. To the extent applicable in the future, interest and penalties related to income tax liabilities will be included in pre-tax income as interest expense and tax penalties. At December 31, 2014, the Home's tax returns related to fiscal years ended December 31, 2011 through December 31, 2014 remain open to examination by the tax authorities.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2 - Summary of Significant Accounting Policies (Continued)

i. Use of Estimates in the Preparation of Financial Statements

Management of the Home has made a number of estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with generally accepted accounting principles. Actual results could differ from those estimates.

j. Cash and cash equivalents

For purposes of the statement of cash flows, cash equivalents include time deposits, certificates of deposits, and all highly liquid debt instruments with an original maturity of three months or less.

k. Allowance for Doubtful Accounts

The Home provides an allowance for losses on receivables based on review of the current status of existing receivables, historical collection experience, and management's evaluation of the effect of existing economic conditions. As of December 31, 2014, management deems all accounts receivable to be collectible; therefore, no allowance account has been established.

l. Donated Services

Many individuals have donated time and services to advance the Home's programs and objectives. The value of the services has not been recorded in the financial statements because they do not meet the definition for recognition under generally accepted accounting principles.

m. Donated Property and Equipment

Donations of property and equipment are recorded as contributions at fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

During the year ended December 31, 2014 the Home was provided land and facilities with an estimated fair value of \$174,600. The land and facilities were placed into service during the year and therefore are accounted for as an increase unrestricted net assets. In addition the Home was donated a vehicle with an estimated fair value of \$2,200 which was provided to a participant in the transportation program as stipulated by the donor

and has accordingly been reported as an increase and decrease in unrestricted net assets.

Note 3 - Land, Buildings, and Equipment

At December 31, 2014 land, buildings, and equipment is summarized as follows:

Land	\$ 101,100
Buildings	413,421
Equipment	<u>60,331</u>
Total land, buildings, and equipment	574,852
Less accumulated depreciation	<u>98,368</u>
Net land, buildings, and equipment	<u>\$ 476,484</u>

Depreciation expense amounted to \$25,712 for the year ended December 31, 2014.

Note 4 - Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 5- Financial instruments

The carrying values of the Authority's financial instruments (cash and cash equivalents, receivables, notes, accounts payable, and accrued expenses) approximate fair value due to their current availability, relatively short maturities and/or current market interest rates.

Note 6 – Subsequent Events

The Home has evaluated subsequent events through November 2, 2015, which is the date the financial statements were available to be issued. Based on the evaluation no subsequent events were considered significant.
