INDEPENDENT AUDITORS' REPORT

To the Board of Directors
You Have the Power...Know How to Use It, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of You Have the Power...Know How to Use It, Inc. (the "Organization") which comprise the statements of financial position as of December 31, 2016 and 2015 and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of You Have the Power...Know How to Use It, Inc. as of December 31, 2016 and 2015 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2016 AND 2015

NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES

You Have the Power...Know How to Use It, Inc. (the "Organization") was incorporated in 1995 as a Tennessee not-for-profit corporation to operate as a direct-support organization to receive, hold, invest, and administer assets and to make expenditures to and for the benefit of public education. The Organization educates the general public about issues related to violent crimes and victim's rights, and heightens public awareness about the resources available to them in regard to such issues. The Organization is supported primarily through donor contributions and grants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Presentation

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Grants Receivable

Grant funds are earned and reported as revenues of the applicable grant when the Organization has incurred expenses in compliance with the specific restrictions of the grant agreement. Expenses incurred for grant funds which have not been received are reported as grants receivable.

Inventory

Inventory consists of items donated for auction at a future special event to be held by the Organization. Items are stated at fair market value.

Office Equipment and Depreciation

The Organization capitalizes all costs in excess of \$500 for office equipment. Donated office equipment is recorded at its estimated market value at the date of the gift. Depreciation is provided over the assets' estimated useful lives of five to ten years using the straight-line method.

Expenditures for maintenance and repairs are expensed when incurred. Expenditures for renewals and betterments are capitalized. When equipment is retired or sold, the cost and related accumulated depreciation are removed from the accounts, and the resulting gain or loss is included in the statements of activities and changes in net assets.

YOU HAVE THE POWER...KNOW HOW TO USE IT, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2016 AND 2015

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Under these provisions, net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Unrestricted net assets - net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - net assets that are subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions.

Permanently restricted net assets - net assets that are subject to donor imposed restrictions that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income from these assets.

Contributions that are restricted for specific programs are reflected as unrestricted revenue if the restriction is fulfilled during the same fiscal year as it is received.

Donated Goods and Services

Donated goods are recorded as in-kind contributions in the period received at their estimated fair value, if there is an objective and measurable basis for determining such value.

Donated services are recognized if they create or enhance nonfinancial assets or the donated services requires specialized skills, was performed by a donor who possess such skills, and would have been purchased by the Organization, if not donated. Such services are recognized at estimated fair value as support and expense in the period the services were performed.

The value of donated services included in public support in the statements of activities and changes in net assets and the corresponding expenses for the years ended December 31, 2015 and 2014 are as follows:

	2016	2015
Event Expense	\$ 4,245	\$ 2,456
Professional Services	33,525	41,931
	<u>\$ 37,770</u>	<u>\$ 44,387</u>

YOU HAVE THE POWER...KNOW HOW TO USE IT, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2016 AND 2015

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donated Goods and Services (Continued)

A number of unpaid volunteers have made contributions of their time to assist the Organization in various ways. The value of contributed time is not reflected in these financial statements since it is not susceptible to objective measure or valuation.

Income Taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code as a charitable organization. Accordingly, no provision for income tax has been made.

Accounting principles generally accepted in the United States of America require the Organization's management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Organization's management has analyzed the tax positions taken by the Organization and has concluded that as of December 31, 2016 no uncertain positions are taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Organization is no longer subject to routine audits for any tax periods beginning before 2013.

Video Production

The Organization incurs significant costs to produce videos. These videos are used in forums to educate the general public and are sold at or below cost to organizations that use the videos for educational purposes. FASB (Financial Accounting Standards Board) ASC (Accounting Standards Codification) 926-20-25 requires film costs related to the production of a film to be reported as a separate asset on the Organization's statements of financial position. This asset is amortized using the individual-film-forecast-computation method, which amortizes such costs in the same ratio that current period actual revenue bears to estimated remaining unrecognized ultimate revenue as of the beginning of the year. Management has determined that the cost of complying with this requirement exceeds the benefit that would be received, and accordingly expenses production costs as incurred.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services.

Advertising Costs

The company expenses all advertising costs as they are incurred. The advertising expense for years ending December 31, 2016 and 2015 are \$165 and \$206, respectively.

YOU HAVE THE POWER...KNOW HOW TO USE IT, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2016 AND 2015

NOTE 3 - INVESTMENTS

The Organization routinely invests excess cash on hand in certificates of deposit. These certificates of deposit have original maturities ranging from six months to five years. Investments with original maturities of less than one year are classified in the statements of financial position as short-term investments. Investments with original maturities of greater than one year are classified in the statements of financial position as investments. There were no short-term investments at December 31, 2016 and 2015.

NOTE 4 - LEASE COMMITMENTS

The Organization leases office space through an operating lease. Rent expense, including utilities, amounted to \$27,096 and \$21,643 for the years ended December 31, 2016 and 2015, respectively.

Future minimum payments by year and in the aggregate under non-cancelable leases consist of the following:

Years ending December 31:

2017	22,800
2018	<u>22,800</u>
	<u>\$ 45,600</u>

In addition to the future minimum lease payments, the Organization must also pay a portion of operating costs associated with the property under lease. These amounts may vary.

NOTE 5 - QUESTIONED COSTS

Questioned costs are those amounts charged to a funded program that may not be in compliance with requirements set forth in contracts, statutes, and regulations governing allowability or eligibility. A questioned cost may not be reimbursed by the grantor agency or the grantor agency may require that the funds already expended be refunded to the agency. These amounts can be "questioned" by the agency for the specific grant to which they apply. The determination as to whether such costs will be allowed or disallowed under the grants will be made by the individual grantor agency at a later date. No liability is needed as of December 31, 2016 and 2015 for the repayment of questioned costs as no grantor agency has made a determination of the appropriateness of any questioned costs. Management deems the possibility of a refund to be remote, as they believe that the Organization has accommodated their objective to the provisions of their grants.

YOU HAVE THE POWER...KNOW HOW TO USE IT, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2016 AND 2015

NOTE 6 - INTANGIBLE ASSET

During 2012, the Organization created a trademark. Legal fees incurred to submit the application and related documents to the United States Trademark Office for this trademark have been capitalized. Direct expenses incurred to establish the trademark in 2012 were \$2,068, and this amount was capitalized. Amounts paid to renew or extend the trademark's life will be capitalized as incurred. Management has determined that the trademark has a finite life of 15 years and will be amortized on a straight line basis over that time period. Total accumulated amortization for December 31, 2016 and 2015 is \$823 and \$505, respectively.

NOTE 7 - MANAGERMENTS' REVIEW

The Organization's management has evaluated subsequent events through June 16, 2017, the date which the financial statements were available to be issued.
