**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of  
Dismas, Inc.

**Opinion**

We have audited the accompanying financial statements of Dismas, Inc. (the "Organization"), which comprises the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Dismas, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dismas, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dismas, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

## INDEPENDENT AUDITORS' REPORT, (CONTINUED)

### Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dismas, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dismas, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**DISMAS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The summary of the Organization's significant accounting policies is presented to assist in understanding the financial statements. The financial statements and notes are a representation of the Organization's management, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Nature of Activities

Dismas, Inc. (the "Organization") is a re-entry facility that offers a transformational and supportive community for men newly released from prison who face challenges and obstacles as they transition back into society. The Organization's programming is based on four pillars: Basic Needs which covers food, shelter, clothing and transportation; Health and Well-being which cover physical, dental and eye exams, mental health counseling and addiction support services, along with wellness classes to improve physical and mental well-being; Life Skills which case managers work with residents on short and long term goals, transition plans and assist with skill development; and Legal Support which residents meet with the Legal Aid Society to address expungements, child support, child custody, and other legal matters and an attorney who specializes in driver's license restoration.

Basis of Accounting

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America using the accrual method of accounting.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. Cash and cash equivalents during the year may exceed Federal Deposit Insurance Corporation ("FDIC") limits.

**DISMAS, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Receivables

In previous years, pledges receivable were stated at the amount the Organization expects to collect from outstanding balances. The Organization provided for estimated uncollectible receivables through bad debt expense and a credit to an allowance based on its assessment of the current status of individual accounts and historical write-off experience. Balances that were still outstanding after the Organization had used reasonable collection efforts were written off through a charge to the valuation allowance and a credit to pledges receivable.

Property and Equipment

Property and equipment are reported at cost and include improvements that significantly add to utility or extend useful lives and exceed \$1,000. Costs of maintenance and repairs are charged to expense as incurred. Assets are depreciated using a straight-line basis to allocate cost over their estimated useful lives of 5-7 years for vehicles, furniture and equipment and over 15 - 40 years for buildings and improvements. When depreciable assets are disposed of, the cost and related accumulated depreciation are removed from the accounts, and any gain (except on trade-in) or loss is included in income for the period. A gain on trade-in is applied to reduce the cost of the new acquisition.

Long-Lived Assets

The Organization periodically reviews the values assigned to long-lived assets to determine if any impairments are other than temporary. Management believes that the long-lived assets in the statements of financial position are appropriately valued.

Contributions

All contributions are considered to be without donor restriction unless specifically stated by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. However, if a restriction is fulfilled in the same time period the contribution is received, the Organization reports the support as net assets without donor restriction.

Grants

Grant revenues are recognized when earned. Grants receivable represent the difference between amounts earned and amounts received.

**DISMAS, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Donated Material and Services

Contributions of donated material that are useable for program services, fundraising, and support of management and general functions are recorded at their estimated fair values in the period received. Contributions of donated services requiring specialized skills and which would typically need to be purchased if not donated, are recorded at their estimated fair values in the period received.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset for a specific purpose. As of June 30, 2022, the Organization has no donated property or equipment which is restricted.

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and files an IRS Form 990. Accordingly, no provision for income taxes is included in the accompanying financial statements.

The Organization has adopted ASC Topic 740-10, *Accounting for Uncertainty in Income Taxes*, which prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, including the position that the Organization continues to qualify to be treated as a tax-exempt entity for both federal and state income tax purposes. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. For the year ended June 30, 2022, the Organization has no material uncertain tax positions to be accounted for in the financial statements under these rules. The Organization has exempt organization tax filings open to Internal Revenue Service audit, generally, for three years after they are filed.

Functional Allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Expenses that are allocated include salaries and benefits, payroll taxes, meetings and professional fees, which are allocated on the basis of estimates of time and effort, and rent, maintenance, depreciation, insurance and utilities are allocated on the basis of estimated square footage utilized by each program service and by supporting services. All other expenses are directly assigned to their related program.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Events Occurring After Reporting Date

The Organization evaluated events and transactions that occurred after June 30, 2022, through the date of the issued financial statements. During the period there were no material recognizable subsequent events that required recognition in the disclosures to the June 30, 2022 financial statements.

**NOTE 2 - CONCENTRATION OF CREDIT RISK AND REVENUE SOURCES**

The Organization maintains cash balances in banks insured by the Federal Deposit Insurance Corporation up to \$250,000. In the normal course of business, the Organization may have deposits that exceed the insured balance. At June 30, 2022, the Organization had no cash balances that were uninsured by the Federal Deposit Insurance Corporation.

**NOTE 3 - PROPERTY AND EQUIPMENT**

Property and equipment consist of the following at June 30:

	<b>2022</b>	<b>2021</b>
Land	\$ 1,257,862	\$ 1,257,862
Buildings	9,248,125	9,248,125

Net property and equipment	<u>\$ 10,586,018</u>	<u>\$ 10,865,250</u>

Depreciation expense was \$285,938 and \$281,018 for the years ended June 30, 2022 and 2021, respectively.

**DISMAS, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 4 - LINE OF CREDIT**

The Organization has a \$300,000 line of credit secured by the assets account of the Organization that has a variable interest rate that equals the prime rate plus .75% that matures April 7, 2023. The interest rate as of June 30, 2022 was 6.35%. There was no outstanding balance at June 30, 2022. The outstanding balance was \$150,000 at June 30, 2021.

**NOTE 5 - LONG-TERM DEBT**

The Organization opened a construction loan in November 2018 for \$5,000,000 to help finance construction of a new facility. The construction loan is collateralized by the Organization's land and facilities. The loan accrues interest at a fixed rate of 5.79%. The Organization was originally scheduled to make interest only payments until October 2021. Beginning in October 2021, the Organization was scheduled to make principal and interest payments in monthly installments of \$35,218 through April 2023 with a final balloon payment due in May 2023. The Organization reached a standstill agreement with the bank due to the stress on the economy due to COVID-19 pandemic. The bank deferred interest for a standstill period of March 27, 2020 to May 27, 2020 with the balance accrued due on the loan at maturity. The outstanding balance was \$4,775,978 and \$4,921,926 at June 30, 2022 and 2021, respectively.

The Organization opened a loan with the Small Business Administration for \$150,000 which increased to \$500,000 on July 31, 2021. The loan is collateralized by all assets of the Organization. The loan accrues interest at a fixed rate of 2.75%. The Organization is scheduled to make principal and interest payments in monthly installments of \$2,209 in December 2022 with the final payment due in May 2050. The outstanding balance was \$500,000 and \$150,000 at June 30, 2022 and 2021, respectively.

Maturities of long-term debt is as follows:

Thereafter	<u>536,813</u>
Total	<u><u>\$ 5,275,978</u></u>

**DISMAS, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 6 - PAYCHECK PROTECTION PROGRAM**

The Organization received the second installation of the Paycheck Protection Program ("PPP") loan through the United States Small Business Administration, an unsecured note payable with First Horizon bank in the amount of \$120,547, dated March 5, 2021. The note was forgiven by the Small Business Administration on January 10, 2022.

**NOTE 7 - LIQUIDITY AND AVAILABILITY OF RESOURCES**

The Organization has \$238,005 of financial assets available within one year of the statement financial position date consisting of cash of \$178,545, and net accounts receivable of \$59,460. The Organization has a goal to maintain financial assets, which consist of cash on hand, to meet 45 days of normal operating expense, which are, on average, approximately \$275,000. The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. In addition, as described in Note 4, the Organization has a line of credit in the amount of \$300,000, which could be drawn upon in the event of an unanticipated liquidity need.

**NOTE 8 - COMMITMENTS AND CONTINGENCIES**

Contingencies

The Organization receives a substantial amount of its support and revenues from government agencies. A significant reduction in the level of this support, if this were to occur, may have an effect on the Organization's programs and activities. In addition, the funding received by the Organization from governmental agencies is subject to audit and retroactive adjustment.
