INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of The Junior League of Nashville, Inc. Nashville, Tennessee

We have audited the accompanying statements of financial position of The Junior League of Nashville, Inc. (a non-profit organization) as of May 31, 2011 and 2010, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the League's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Junior League of Nashville, Inc. as of May 31, 2011 and 2010, and the changes in its net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

General

Established in 1922, The Junior League of Nashville, Inc. (the "League") is an organization of women committed to promoting voluntarism, to developing the potential of women, and to improving the Middle Tennessee community through the effective action and leadership of trained volunteers. The purpose of the League is exclusively educational and charitable. The League explores the needs of the community, establishes projects to meet those needs, and provides trained volunteers and financial assistance for the projects established. The League provides training for volunteers to be effective in their service to the community. The placement of those volunteers and the League's funding assistance is directed toward the areas of women, children and families. The League is a member of the Association of Junior League International, Inc.

Trust Fund

The League has a trust fund to ensure the observance of limitations and restrictions placed on the use of contributions and support to the League. These contributions are invested and the related investment income is restricted for the intended purpose of serving the best interests of children in a condition - physical, mental, emotional, environmental, or economic, that places a child at risk of not being able to live into adulthood as a healthy, educated individual, whose disabilities can be sufficiently improved or overcome to enable him or her to be self-supporting in our society. In addition to physical illness and conditions, examples include children who are crippled by poverty, illiteracy or family strife. The fair market value of assets held by the trust, less amounts currently pledged, amounted to and \$8,845,937 and \$7,509,609 at May 31, 2011 and 2010, respectively, and are included in the assets of the League.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial Statement Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with standards of accounting and reporting prescribed for not-for-profit organizations. Under these standards, net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Statement Presentation (Continued)

Unrestricted net assets – net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – net assets subject to donor-imposed stipulations that may or will be met, either by actions of the League and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Permanently restricted net assets – net assets subject to donor-imposed stipulations that they be maintained permanently by the League. Generally, donors of these assets permit the League to use all or part of the income earned for unrestricted or restricted purposes.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the League considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Investments

The League accounts for investments in accordance with standards of accounting for investments prescribed for not-for-profit organizations. Under these standards, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statements of financial position. Unrealized gains and losses are included in the change in net assets. See Note 2 for additional information on fair value measurements.

Perpetual Trusts

Donors have established and funded trusts which are administered by organizations other than the League. Under the terms of the trusts, the League has the irrevocable right to receive the income earned or a portion of the income earned on the trust assets in perpetuity. The League does not control the assets held by a third party.

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Restricted Endowment Funds

The Uniform Prudent Management Institutional Funds Act ("UPMIFA") was enacted in Tennessee effective July 1, 2007. The Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") provides guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization that is subject to an enacted version of UPMIFA. It also requires disclosure of a description of the governing board's interpretation of the law that underlies the organization's net asset classification of donor-restricted endowment funds, a description of the organization's policies for the appropriation of endowment assets for expenditures (its endowment spending policies), a description of the organization's endowment investment policies, and additional disclosures not previously required.

Land, Building and Equipment

Land, building and equipment are stated at cost, except those received by gift, which are stated at estimated market value as of the date of the gift. Expenditures for ordinary maintenance and repairs are charged to expense. Renewals and betterments that materially extend the life of the asset are capitalized. Depreciation on building and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis. Useful lives range from 40 years for buildings to 3 years for software and computers.

Membership Dues

Membership dues generally cover a period of one year; therefore, such revenue is recognized over the time period to which the dues relate. Dues received in advance of the membership year are deferred.

Contributions

Contributions are recognized when the donor makes a promise to give to the League that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor restrictions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. The League uses the allowance method to determine uncollectible unconditional promises to give.

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Goods and Services

The League received in-kind contributions of materials and supplies primarily related to fundraising efforts in the amounts of \$162,569 and \$181,339 for the years ended May 31, 2011 and 2010, respectively.

The League receives donated services from a variety of unpaid members and other volunteers. No amounts have been recognized in the accompanying statements of activities because the criteria for recognition of such volunteer effort under accounting and reporting standards prescribed for not-for-profit organizations has not been satisfied. However, during fiscal 2011 and 2010, members provided in excess of 100,000 and 80,000 hours of service to various League programs, respectively.

Federal Income Taxes

No provision for federal income taxes is made in the accompanying financial statements, as the League is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

The League follows FASB ASC guidance clarifying the accounting for uncertainty in income taxes recognized in an entity's financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. This guidance must be applied to all existing tax positions upon initial adoption. The League has no tax penalties or interest reported in the accompanying financial statements. Tax years that remain open for examination include years ended May 31, 2008 through May 31, 2011.

Advertising

The League's advertising is non-direct and the costs are expensed as incurred.

Subsequent Events

The League evaluated subsequent events through August 15, 2011, when these financial statements were available to be issued. Management is not aware of any significant events that occurred subsequent to the statement of financial position date but prior to the filing of this report that would have a material impact on the accompanying financial statements.

NOTE 2 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

The League has adopted the provisions of the Fair Value Measurement Topic of the FASB ASC. This guidance establishes a framework for measuring fair value for financial assets and financial liabilities. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The applicable levels of the fair value hierarchy are described below.

- *Level 1* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the League has the ability to access.
- *Level 2* Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by the observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value of Level 1 assets was determined by obtaining quoted market prices in active markets.

The League's beneficial interests in trusts were valued using information obtained from third party sources, including detail listings of holdings from the trusts. These valuations are based upon the percent interest in future trust earnings.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the League believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The overall investment objective of the League is to maintain a balanced portfolio, through a mix of equities, fixed income securities, and money market balances.

NOTE 2 – INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

For the years ended May 31, 2011 and 2010, interest and dividends earned from these investments totaled \$194,688 and \$155,147, respectively. Net appreciation of investments amounted to \$1,971,210 and \$1,792,808 for the years ended May 31, 2011 and 2010, respectively.

NOTE 3 – LAND, BUILDING AND EQUIPMENT

The components of land, building and equipment as of May 31 are as follows:

	2011	2010
Land Building Software Equipment	\$ 125,000 1,350,159 56,752 <u>317,719</u>	\$ 125,000 1,350,159 56,752 409,270

During 2010, the League sold its administrative office building for approximately \$1.9 million. The land and building had a depreciated value of approximately \$1.2 million at the time of the sale.

NOTE 4 – GRANT PAYABLE

The League's board of directors and advisory board reached an agreement in May 2008, effective as of July 1, 2007, to provide Vanderbilt Children's Hospital ("VCH") \$1.97 million over the period from November 2006 through May 2012, payable in installments. The proceeds are to be used for the operation of a number of programs at VCH as described in the agreement.

NOTE 4 – GRANT PAYABLE (Continued)

The liability for grant payable at May 31 is as follows:

	2011	2010
Amount payable to VCH Less: discount to net present value	\$ 326,000	\$ 656,000 (18,295)
	<u>\$ 326,000</u>	<u>\$ 637,705</u>

	<u>\$ 326,000</u>	<u>\$ 637,705</u>

NOTE 5 – ENDOWMENT FUNDS

The League's endowment funds consist of donor-restricted gifts as well as assets designated by the Board of Directors which are held in investment accounts. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based upon the existence or absence of donor-imposed restrictions. The endowment funds maintained by the League include the Anniversary Community Endowment Fund, the Operating Expense Endowment Fund and the Mildred D. Ansley Fund.

The League has imposed a restriction on the endowment funds associated with the Anniversary Community Endowment Fund and Operating Expense Endowment Fund that no amounts may be distributed from the funds until the value of the fund exceeds \$1 million. In addition, the League requires that each year 10% of the net proceeds from the annual fundraisers of the League be invested in the Anniversary Community Endowment Fund and that 10% of the net proceeds from the annual fundraisers of the annual fund be invested in the Operating Expense Endowment Fund.

The League has also imposed a restriction on the endowment funds associated with the Mildred D. Ansley Fund. It is the League's intention to maintain the initial gift in perpetuity; investment earnings may be used to provide equipment the League requires in its operations.

Endowment Investment Policy and Risk Parameters

The League has adopted investment policies to allow endowment assets to support the League and to enable it to more completely fulfill its mission by providing operational funding and community assistance for perpetuity. Under the League's investment policy for endowment assets, the primary objective is to maintain the accumulated balances and to protect the principal. The policy also requires that the funds as a whole should not be subjected to undue investment risk.

Strategies Employed for Achieving Investment Objectives

To satisfy its long term objectives, the League relies on an investment strategy that allows the value of the funds to at least keep pace with inflation. It is expected that the funds' investment performance will be measured by total return, taking capital appreciation into consideration, without regard to whether any particular item should be allocated to principal or to income for fiduciary accounting purposes. There are no specific guidelines as to how much current income should be generated by the funds' investments.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The League's Board of Directors has imposed a restriction on the Anniversary Community Endowment Fund and Operating Expense Endowment Fund that nothing may be spent until the

value of the endowment exceeds \$1 million. Thereafter, the League may withdraw from the Fund during each calendar year a percentage of the net fair market value of the funds as determined by the Board of Directors. Current policies state that the distribution percentage should not exceed 4.5% of the average of the net fair market values of the funds as determined at the end of the three most recent calendar years. The investment return on the Mildred D. Ansley Fund may be distributed.

NOTE 6 – ALLOCATION OF FUNCTIONAL EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among program and supporting services based on estimates made by management.

NOTE 7 – CONCENTRATIONS OF CREDIT RISK

At various times during the fiscal year, the League's cash and cash equivalent balances exceeded the federally insured limits. Additionally, the League has approximately \$13 million and \$11 million of investments in debt and equity securities as of May 31, 2011 and 2010, which are subject to market risk.

JLN Trust – Junior League Home for Crippled Children. This balance is comprised of a trust established by the League to own, maintain and operate the Junior League Home for Crippled Children (the "Home"). According to the trust agreement, assets of the trust and any income received are to be used for programs of the Home.

Operation Reserve – Care for Children. This balance represents contributions restricted for community projects that benefit crippled children.

Hamilton Fund – **Gladden the Hearts of the Children at Christmas.** This balance represents donor contributions restricted to gladden the hearts of children at Christmas time.

Anniversary Community Endowment Fund. This balance represents contributions restricted and board designated to provide financial support for activities of the League that improve the welfare of the community. The restricted contributions cannot be used for League activities unless the fund exceeds a balance of \$1,000,000.

Operating Expense Endowment Fund. This balance represents contributions restricted and board designated to provide financial support for activities of the League that improve the welfare of the community. The restricted contributions cannot be used for League activities unless the fund exceeds a balance of \$1,000,000.

NOTE 8 – DONOR RESTRICTED AND BOARD OF DIRECTORS DESIGNATED NET ASSETS (Continued)

Flood Relief Assistance Fund. This balance represents contributions restricted and board designated to provide support and financial relief to League members who were affected by the May 2010 flood.

Mildred B. Ansley Fund – JLN Operations. This balance represents a memorial of Mildred B. Ansley, a member of the League, who bequeathed \$150,000 to the League. The League has designated that her gift be invested as a memorial and that the investment return be used to provide equipment the League requires to maintain its operations.

Perpetual Trusts – The League has an irrevocable right to receive the income or a portion of the income earned from the trusts in perpetuity. Included in this balance are Pike, Reynolds, King and Kempkau trusts ("PRKK"), as well as the Hamilton Trust.
