#### **Report of Independent Auditor**

To the Board of Directors Young Men's Christian Association of Middle Tennessee Nashville, Tennessee

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Young Men's Christian Association of Middle Tennessee (the "YMCA") (a nonprofit organization), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Young Men's Christian Association of Middle Tennessee as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Emphasis of Matter**

As more fully described in Note 15 to the financial statements, the YMCA has been impacted by the outbreak of the novel coronavirus (COVID-19), which was declared a global pandemic by the World Health Organization in March 2020. Our opinion is not modified with respect to this matter.

#### **OTHER MATTERS**

#### Supplementary and Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Roster of Board of Directors and Executive Staff is presented for purposes of analysis and is not a required additional part of the basic financial statements. The accompanying schedule of expenditures of federal and state awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is also not a required part of the financial statements.

The schedule of expenditures of federal and state awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The Roster of Board of Directors and Executive Staff has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 15, 2021, on our consideration of the YMCA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the YMCA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the YMCA's internal control over financial reporting and compliance.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 1—General and summary of significant accounting policies

General – The Young Men's Christian Association of Middle Tennessee (the "YMCA") is a worldwide charitable fellowship united by a common loyalty to Jesus Christ for the purpose of helping people grow in spirit, mind, and body. As the region's leading nonprofit dedicated to strengthening community, the YMCA works side by side with neighbors to make sure everyone, regardless of age, income, or background, has the opportunity to learn, grow, and thrive. With 14 family wellness centers and over 150 program locations, the YMCA exists to nurture the potential of children and teens, improve the region's health and well-being, and to provide opportunities to give back and support neighbors.

Basis of Presentation – The accompanying financial statements present the financial position and operations of the corporate office and all YMCA centers on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). All significant transactions and balances between and among the corporate office and the centers have been eliminated in combination.

Resources are classified as with or without donor restrictions based on the existence or absence of donor-imposed restrictions as follows:

*Net Assets Without Donor* Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the YMCA. These net assets may be used at the discretion of YMCA's management and the Board of Directors.

Net Assets With Donor Restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the YMCA or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Contributions and Support – Contributions received are recorded as increases in net assets without donor restrictions or with donor restrictions depending on the existence and/or nature of any donor restrictions.

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as increases to net assets with donor restrictions. When a restriction is fulfilled (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets are reclassified to net assets without donor restrictions and are reported in the statements of activities as net assets released from restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, the support is reported as increases to net assets without donor restrictions.

The YMCA also receives grant revenue from various federal and state agencies. Grant revenue is recognized in the period a liability is incurred for eligible expenditures under the terms of the grant.

Any gifts of equipment or materials are reported as increases to net assets without donor restrictions unless explicit donor restrictions specify how the assets must be used. Gifts of long-lived assets with explicit restrictions as to how the assets are to be used or funds restricted for the acquisition of long-lived assets are reported as increases to net assets with donor restrictions. Expirations of donor restrictions are recognized when the donated or acquired long-lived assets are placed in service.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 1—General and summary of significant accounting policies (continued)

Donated Services – Many individuals volunteer their time and perform a variety of tasks for or on behalf of the YMCA. During 2020 and 2019, contributed services meeting the requirements for recognition in the financial statements was not significant.

Cash and Cash Equivalents – For the purposes of the statements of cash flows, the YMCA considers all cash funds, cash bank accounts, and highly liquid debt instruments purchased with an original maturity of three months or less to be cash and cash equivalents.

Accounts and Grants Receivable – Accounts and grants receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through adjustments to valuation allowances based on its assessment of the current status of individual receivables. The allowance for doubtful accounts for accounts and grants receivable at December 31, 2020 and 2019 is \$285,571 and \$223,118, respectively.

Promises to Give — Unconditional promises to give that are expected to be collected within one year are recorded as contributions receivable at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discount on those amounts is computed using an appropriate discount rate commensurate with the rate on U.S. government bonds whose maturities correspond to the maturities of the contributions and management's estimate of credit risk for each contribution. Amortization of the discount is recognized using the interest method over the term of the gift and is included in contribution revenue. Conditional promises to give are not included as support until such time as the conditions are substantially met. Contributions received are recognized when cash, other assets, or an unconditional promise to give is received. Conditional promises to give, that is, those with a measureable performance or other barrier, and a right of return or right of release, are not recognized until the conditions on which they depend have been substantially met. Contributions of assets other than cash are recorded at their estimated fair value.

The allowance for uncollectible contributions is provided based on management's estimate of uncollectible pledges and historical trends.

*Prepaid Expenses and Other Assets* – Prepaid expenses include certain marketing and promotional costs pertaining to future campaigns and are paid in advance and charged to operating expense when the campaign occurs.

Advertising, marketing, and promotional costs incurred totaled \$517,090 and \$1,171,055 for the years ended December 31, 2020 and 2019, respectively.

Property and Equipment – Land, building, equipment, furniture, and software are reported at cost at the date of purchase or at estimated fair value at date of gift to the YMCA. The YMCA's policy is to capitalize purchases with a cost of \$5,000 or more and an estimated useful life greater than one year. Depreciation is calculated by the straight-line method over the estimated useful lives of the assets ranging from 2 to 20 years for equipment and furniture; 5 to 7 years for software; 15 to 20 years for land improvements; and 40 years for buildings and building improvements.

Interest costs are capitalized in connection with construction of qualifying assets. Capitalization begins when expenditures for qualifying assets are made, activities necessary to prepare the asset for its intended use are in progress, and interest cost is being incurred. Capitalization ends when the asset is ready for its intended use. Capitalized interest cost is depreciated the same as the associated qualifying asset.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 1—General and summary of significant accounting policies (continued)

Management reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The YMCA assesses recoverability of the carrying value of the asset by estimating future net cash flows expected to result from the assets, including eventual disposition. If the future cash flows are less than the carrying value of the asset, an impairment loss is recorded equal to the difference between the asset's carrying value and its estimated fair value.

Derivatives – The YMCA utilizes derivative financial instruments to manage its interest rate exposure by reducing the impact of fluctuating interest rates on its debt service requirements. Derivatives are recognized as either assets or liabilities in the statements of financial position at fair value. Changes in the fair value of derivatives are recognized currently in the statements of activities.

Deferred Revenues – Deferred revenue consists of membership dues, unearned revenue from a lease, and advance operational and maintenance costs received from a lessee.

Income from membership dues is deferred initially and recognized over the periods to which dues relate.

Deferred lease revenue is recognized into income on the straight-line method over the term of the lease.

Grant funds received prior to expenditure are recorded initially as deferred revenue. Revenue is recognized in the period a liability is incurred for eligible expenditures under the terms of the grant.

Income Taxes – The YMCA qualifies as a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The YMCA pays tax on unrelated business income from certain activities. These activities and the related tax were insignificant in 2020 and 2019.

The YMCA files U.S. federal Form 990 for organizations exempt from income tax and Form 990-T, an exempt organization business income tax return. In addition, the YMCA files a Tennessee state income tax return.

The YMCA follows Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") guidance related to unrecognized tax benefits. The guidance clarifies the accounting for uncertainty in income taxes recognized in an organization's financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than 50% likely of being realized upon ultimate settlement. The YMCA has no tax penalties or interest reported in the accompanying financial statements. There is no accrual for uncertain tax positions at December 31, 2020 and 2019.

*Program and Supporting Services* – The following program and supporting services are included in the accompanying financial statements:

*Program Services* – Includes activities carried out to fulfill the YMCA's mission to provide nurturing and healthy development of children, teens, adults, seniors, families, and communities, and to provide opportunities to give back and support neighbors.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 1—General and summary of significant accounting policies (continued)

Supporting Services – Administrative expenses relate to the overall direction of the organization. These expenses are not identifiable with a particular program or event or with fundraising, but are indispensable to the conduct of those activities and are essential to the organization. Fundraising expenses include the costs of activities directed toward appeals for financial support including annual giving campaigns and grants. Other activities include the cost of solicitations and creation and distribution of fundraising materials.

As part of its fundraising efforts, the YMCA holds periodic special events. Direct expenses related to special events are included within special event revenue in the accompanying statements of activities and totaled \$66,362 and \$248,452 for the years ended December 31, 2020 and 2019, respectively.

Allocation of Functional Expenses – The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation and amortization, interest, occupancy, salaries and wages, and conferences, meetings, and staff development, which are allocated on a basis of estimated time and effort.

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value Measurements – The YMCA classifies its financial assets and liabilities based on a hierarchy consisting of: Level 1 (securities valued using quoted prices from active markets for identical assets), Level 2 (securities not traded on an active market but for which observable market inputs are readily available; inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies), and Level 3 (securities valued based on significant unobservable inputs).

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for financial assets and liabilities:

Interest rate swaps are measured at fair value on a recurring basis utilizing Level 2 inputs. The YMCA obtains bank quotations to value its interest rate swaps. For purposes of potential valuation adjustments to its derivative positions, the YMCA evaluates the credit risk of its counterparties as well as that of the YMCA.

No changes in the valuation methodologies were made during 2020 or 2019.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 1—General and summary of significant accounting policies (continued)

New Accounting Pronouncement – In May 2014, FASB issued Accounting Standards Update ("ASU") 2014-09, Revenue from Contracts with Customers (Topic 606), requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. This ASU supersedes the revenue recognition requirements in Topic 605, Revenue Recognition. The YMCA adopted this ASU during 2020. There were no material impacts to the financial statements and underlying accounts as a result of this implementation, which has been applied retrospectively to these financial statements

Accounting Policies for Future Pronouncements – In February 2016, FASB issued ASU 2016-02, Leases. The standard requires all leases with lease terms over 12 months to be capitalized as a right of use asset and lease liability on the balance sheet at the date of lease commencement. Leases will be classified as either finance or operating. This distinction will be relevant for the pattern of expense recognition in the income statement. This standard will be effective for the fiscal year ending December 31, 2022. The YMCA is currently evaluating the effect of the implementation of this new standard.

#### Note 2—Revenue

On January 1, 2020, the YMCA adopted ASC 606 using the modified retrospective approach. The YMCA determined there was no cumulative effect adjustment to net assets upon adoption of the new revenue standard as of January 1, 2020. Under ASC 606, revenue is recognized when the YMCA transfers the promised good or services to a customer in an amount that reflects consideration that is expected to be received for those goods and services.

Member Fees and Program Fees – The YMCA receives revenue from member fees, which are based on the number of people in the household. Membership in the YMCA entitles members to enjoy the use of YMCA facilities and to participate in YMCA programs at reduced fees. Program fees are charged for both members and non-members to participate in various programming including camping, aquatics, child care, fitness and wellness, sports, and special events. Members and program participants may apply to pay reduced rates, which are offered on a sliding scale based on household income. Membership and program fees are recognized when the performance obligation is met. Such fees received in advance are recorded as deferred membership and other revenues.

#### Note 3—Liquidity and availability of resources

The YMCA has a goal to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The YMCA maintains a line of credit with maximum borrowings of \$15 million (see Note 7) with a financial institution that is drawn upon as needed during the year primarily to finance fixed asset purchases, and also to manage cash flow, if needed.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

## Note 3—Liquidity and availability of resources (continued)

The following table represents the YMCA's financial assets as of December 31, 2020 and 2019, reduced by amounts not available for general expenditure within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one year or because the governing board has set aside the funds for a specific contingency reserve. These board designations could be drawn upon if the board approves that action. The YMCA considers general expenditures to be all expenditures related to its ongoing activities of achieving its mission of helping people grow in spirit, mind, and body:

	2020		 2019
Financial assets:		_

Contributions receivable are discounted at rates ranging from .37% to 1.69%.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 5—Property and equipment

Property and equipment consisted of the following as of December 31:

	 2020	2019
Land and land improvements	\$ 18,448,673	\$ 18,629,630
Buildings and improvements	135,644,806	136,732,549

	\$ 100,676,601	\$ 107,783,981

Construction in progress includes architectural plans, renovations and additions that were underway at December 31, 2020 and 2019 at YMCA centers.

#### Note 6—Deferred lease revenue

The YMCA maintains a joint occupancy agreement with a nonprofit organization for facility use and maintenance. Under the terms of the joint occupancy agreement, the nonprofit organization has the right to occupy certain space at the Bellevue Family YMCA and J.L. Turner Center for Lifelong Learning until February 28, 2029. The initial agreement required an advance payment of \$2,000,000, of which \$1,486,636 was prepaid rent for the entire initial lease term, and \$513,364 was a prepayment for estimated operational costs and maintenance for approximately 15 years. The remaining unamortized balance of deferred lease revenue for the Bellevue facility totaled \$430,217 and \$564,092 at December 31, 2020 and 2019, respectively.

#### Note 7—Line of credit

The YMCA maintains a line of credit with a financial institution. The line of credit provides for maximum borrowings of \$15 million through February 26, 2026. The agreement requires monthly interest payments calculated at a rate of LIBOR plus 1.30% (1.45% and 3.00% at December 31, 2020 and 2019, respectively) in addition to a fee of 0.25% of the unused principal balance. The line of credit contains a provision to periodically convert portions of the balance to term notes, based upon the purpose for which the funds were drawn as well as the length of time the funds remain unpaid. Effective February 26, 2021, the line of credit was amended to provide additional security and adjust the interest rate to the greater of 2.30% or the Secured Overnight Financing Rate (SOFR) as defined in the loan agreement.

Outstanding borrowings on the line of credit totaled \$7,500,000 and \$-0- at December 31, 2020 and 2019, respectively. The line of credit contains restrictive covenants and is secured by a negative pledge of the YMCA's assets.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

### Note 8—Notes and bonds payable

On July 1, 2012, the YMCA entered into an agreement with a financial institution to provide up to \$57 million in financing through a guaranty and credit qualified tax exempt loan and up to \$15 million in financing (see line of credit discussed in Note 7) through a taxable debt facility. These debt instruments served to refinance substantially all existing debt and provide additional borrowing capacity. The industrial development bond associated with the tax exempt loan was approved by the Davidson County Industrial Development Board on May 8, 2012. The guaranty and credit agreement contains restrictive covenants and is secured by a negative pledge of the YMCA's real property. The agreement contains a provision to adjust the monthly payment requirement and provide the financial institution the option to call the bonds, with 90-days' notice, on October 1, 2015, October 1, 2030, and October 1, 2035. On April 30, 2020, the guaranty and credit agreement was amended to defer principal payments previously due in May through July 2020. Such deferred payments will be repaid during the years 2021 through 2024. Notes and bonds payable consisted of the following at December 31:

	2020	2019
Bonds Payable <sup>(1)</sup>		
2012 Industrial Revenue bonds, face value \$57,000,000, final maturity date of June 1, 2037. Payments toward principal repayment are due monthly. Interest is determined monthly based on LIBOR plus a margin. Rates at December 31, 2020 and 2019 were 1.46% and 2.72%, respectively.	\$ 37,776,776	\$ 39,042,129
Notes Payable		
Note payable on a vehicle purchased for employee and program usage. The note matures in 2023 and has a required monthly payment of \$489, including interest at 4.89% per annum.	14 170	20.204
or \$409, including interest at 4.09% per annum.	14,170	 20,394
Total notes and bonds payable	\$ 37,790,946	\$ 39,062,523

<sup>(1)</sup> Effective November 1, 2015, the YMCA entered into a fixed-for-floating interest rate swap agreement with a financial institution in order to lessen exposure to fluctuating interest rates on the bonds. The agreement provides for a 10-year term (maturity of November 1, 2025) and an original notional amount of \$46,426,417. The agreement requires the YMCA to make a monthly interest payment equal to a per annum rate of 2.32% times the current notional amount (\$38,638,629 at December 31, 2020), and the financial institution adjusts monthly interest due from (or payable) to the YMCA based on the difference between the fixed rate and the floating rate for the period (0.12% at December 31, 2020).

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 8—Notes and bonds payable (continued)

Annual principal maturities and required reimbursement payments of notes and bonds payable as of December 31, 2020, revised for the amendment to the guaranty and credit agreement discussed above, are as follows:

	Notes		2012 Bond			
Years Ending December 31,	 Payable	Issue		Issue		Total
2021	\$ 5,875	\$	1,820,266	\$ 1,826,141		
2022	5,875		1,886,730	1,892,605		
2023	2,420		1,955,767	1,958,187		
2024	-		2,027,472	2,027,472		
2025	-		1,998,943	1,998,943		
Thereafter	 		28,087,598	28,087,598		
	\$ 14,170	\$	37,776,776	\$ 37,790,946		

#### Note 9—Net assets with donor restrictions

Net assets with donor restrictions consist principally of contributions restricted for the following at December 31:

	 2020	 2019
Capital improvements	\$ 1,532,122	\$ 954,330
Grants restricted for specific programs	469,042	406,907
Contributions restricted for future year operations	 1,110,030	607,885
	\$ 3,111,194	\$ 1,969,122

#### Note 10—Commitments and contingencies

The YMCA has received certain federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could result in disallowance of expenditures, management believes that any required reimbursements would not be significant. Accordingly, no provision has been made for any potential reimbursements to the grantors.

#### Note 11—Concentrations of credit risk

The YMCA maintains cash balances at financial institutions whose accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to statutory limits. As of December 31, 2020 and 2019, the YMCA's depositor accounts exceeded FDIC insurance limits by approximately \$20,388,580 and \$11,200,000, respectively.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 12—Employee benefit plans

The YMCA participates in a defined contribution, individual account, and money purchase retirement plan which is administered by the Young Men's Christian Association Retirement Fund (a separate corporation) (the "Retirement Fund"). This plan is for the benefit of all eligible professional and nonprofessional staff of duly organized and reorganized YMCA's throughout the United States.

Contributions to the plan by employees and employer YMCAs are based on a percentage of the participating employees' salaries. Employer contribution rates ranged from 10% to 1% for the years ended December 31, 2020 and 2019. Total contributions to the plan by the YMCA, which are included in employee benefits in the accompanying statements of functional expenses amounted to \$1,322,793 and \$2,314,541 for the years ended December 31, 2020 and 2019, respectively.

The Retirement Fund is operated as a church pension plan and is a nonprofit, tax-exempt New York State corporation. As a defined contribution plan, the Retirement Fund has no unfunded benefit obligations.

#### Note 13—Related party transactions and related entities

The YMCA purchases insurance, contracts for marketing services, law services, construction services, and architectural services from entities in which certain board members are affiliated. The total of such expenditures approximated \$267,280 in 2020 and \$238,000 in 2019.

The YMCA Foundation of Middle Tennessee (the "YMCA Foundation") was formed to establish a sustaining means of support, using its income primarily for the benefit of the YMCA. The YMCA has representation on the YMCA Foundation's Board of Directors but does not have a majority voting interest. The YMCA Foundation receives donor-designated funds and also makes grants to other nonprofit organizations. For the year ended December 31, 2020, the YMCA Foundation paid out total grants of \$818,912 (\$386,004 in 2019), of which \$814,824 (\$373,900 in 2019) was paid to the YMCA and included in grant revenues.

A condensed summary of financial information of the YMCA Foundation as of and for the years ended December 31 follows:

	2020	2019
Total assets	\$ 11,773,040	\$ 10,584,415
Total liabilities	 425,942	 35,379

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 14—Leases

The YMCA is obligated under several noncancelable operating leases for office space, equipment, and vehicles that expire at various dates through 2024. Total rental expense incurred under these leases for the years ended December 31, 2020 and 2019 amounted to: office space – \$454,958 and \$715,656, respectively; equipment – \$92,684 and \$125,358, respectively; and vehicles – \$9,342 and \$102,699, respectively.

The YMCA has also entered into several noncancelable capital leases for equipment and as of December 31, 2020, the single remaining capital lease expired in 2020. Total capital lease payments made under these leases for the years ended December 31, 2020 and 2019 amounted to \$6,641 and \$415,940, including \$11 and \$20,373, respectively, of imputed interest.

Assets recorded under capital leases are included in property and equipment consisted of the following at December 31:

	2020			2019
Cost	\$	2,541,581	\$	2,541,581
Accumulated depreciation		(2,440,539)		(1,921,782)
Net book value	\$	101,042	\$	619,799

Future minimum lease payments required under all noncancelable leases as of December 31, 2020 are:

Years Ending December 31,	Office	E	quipment	V	ehicles	O	Total perating Leases
2021	\$ 221,088	\$	105,072	\$	8,959	\$	335,119
2022	100,816		105,072		3,733		209,621
2023	69,071		105,072		-		174,143
2024	 2,312		17,512		-		19,824
	\$ 393,287	\$	332,728	\$	12,692	\$	738,707

#### Note 15—Uncertainty

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a global pandemic which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to significant declines and volatility in the financial markets. The coronavirus outbreak and government responses are creating disruption to global supply chains and adversely impacting many industries. The outbreak could have a material, adverse impact on the economic and market conditions and trigger a period of global economic shutdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material, adverse impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the YMCA, its performance, and its financial results.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 16—Subsequent events

The YMCA evaluated subsequent events through June 15, 2021 when the financial statements were available to be issued.

On March 29, 2021, the YMCA received a loan under the Paycheck Protection Program ("PPP") for an amount of \$8,966,919, which was established under the Coronavirus Aid, Relief, and Economic Security Act and administered by the Small Business Administration ("SBA"). The application for the PPP loan requires the YMCA to, in good faith, certify that the current economic uncertainty made the loan request necessary to support the ongoing operation of the organization. This certification further requires the YMCA to take into account our current business activity and our ability to access other sources of liquidity sufficient to support the ongoing operations in a manner that is not significantly detrimental to the business. The receipt of the funds from the PPP loan and the forgiveness of the PPP loan is dependent on the YMCA having initially qualified for the PPP loan and qualifying for the forgiveness of such PPP loan based on funds being used for certain expenditures such as payroll costs and rent, as required by the terms of the PPP loan. There is no assurance that the YMCA's obligation under the PPP loan will be forgiven. If the PPP loan is not forgiven, the YMCA will need to repay the PPP loan over a two-year period, commencing six months after the funding of the PPP loan, at an interest rate of 1% per annum.

Presently, the SBA and other government communications have indicated that all loans in excess of \$2 million will be subject to audit and that those audits could take up to seven years to complete.

In January, 2021 the YMCA received an unrestricted grant in the amount of \$18,000,000. Plans for utilization of the grant are currently in the development stage.

In March, 2021 the YMCA entered into an agreement that provides for a non-revolving line of credit loan secured by a first lien deed of trust on certain YMCA property. The loan provides for maximum borrowings of \$16,000,000 to finance construction renovations at YMCA wellness centers. The loan provides for interest at 3% per annum, payable at maturity. The loan is scheduled to mature on May 27, 2023. The YMCA property securing the loan will be purchased by the lender at the loan maturity date, with any outstanding borrowings applied against the purchase price.

#### NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS

YEAR ENDED DECEMBER 31, 2020

#### Note 1—Basis of accounting

The supplementary schedule of expenditures of federal and state awards (the "Schedule") is prepared on the accrual basis of accounting. The information in the Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements*, *Cost Principles*, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Young Men's Christian Association of Middle Tennessee (the "YMCA"), it is not intended to, and does not, present the financial position, changes in net assets, or cash flows of the YMCA.

#### Note 2—Basis of presentation

The accompanying Schedule depicts the expenditures of the state awards. The Summer Food Service Program for Children Contract No. 10.559 is a fixed, per diem rate contract. Revenue received on the contracts was \$378,160 for the year ended December 31, 2020.

#### Note 3—Indirect cost allocation rate

The YMCA did not elect to use the 10% de minimis indirect cost rate; however, no indirect costs were allocated to the awards during 2020.

#### Note 4—Noncash awards

The YMCA did not receive noncash federal awards during the year ended December 31, 2020.

#### **Note 5—Contingencies**

These programs are subject to financial and compliance audits by grantor agencies. The amount, if any, of expenditures that may be disallowed by the grantor agencies cannot be determined at this time, although the YMCA expects such amounts, if any, to be immaterial.

# Report of Independent Auditor on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Directors Young Men's Christian Association of Middle Tennessee Nashville, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Young Men's Christian Association of Middle Tennessee (the "YMCA") (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 15, 2021.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the YMCA's internal control over financial reporting ("internal control") as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the YMCA's internal control. Accordingly, we do not express an opinion on the effectiveness of the YMCA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the YMCA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the YMCA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## Report of Independent Auditor on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors Young Men's Christian Association of Middle Tennessee Nashville, Tennessee

#### Report on Compliance for Each Major Federal Program

We have audited the Young Men's Christian Association of Middle Tennessee's (the "YMCA") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the YMCA's major federal programs for the year ended December 31, 2020. The YMCA's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the YMCA's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the YMCA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the YMCA's compliance.

#### **Opinion on Each Major Federal Program**

In our opinion, the YMCA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

#### **Report on Internal Control over Compliance**

Management of the YMCA is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the YMCA's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the YMCA's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
