INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Haven of Hope, Inc.

We have audited the accompanying financial statements of Haven of Hope, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Haven of Hope, Inc., as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

HAVEN OF HOPE, INC.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Haven of Hope, Inc. (the "Organization") is a not-for-profit Tennessee corporation chartered March 20, 1985, to provide counseling and protective services to abused individuals, most of whom are residents of Coffee, Bedford, Franklin, Lincoln, Marshall and Moore counties.

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting, and in accordance with the American Institute of Certified Public Accountant's Audit and Accounting Guide, *Audits of Not-for-Profit Organizations*.

Financial Statement Presentation

The financial statements are prepared in conformity with the standards promulgated by the Financial Accounting Standards Board in FASB ASC 958-605-25, *Accounting for Contributions Received and Contributions Made*, and FASB ASC 958-225, *Financial Statements of Not-for-Profit Organizations*.

Net Assets

Under FASB ASU 2016-14, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Net assets without donor restrictions are those that are free of donor-imposed restrictions. Net assets with donor restrictions are those limited by donor-imposed stipulations.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers highly liquid investments with an initial maturity of three months or less, which are neither designated nor restricted for long-term purposes to be cash equivalents.

Investments

The Organization carries investments in marketable securities with readily determinable fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the statement of activities.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

All contributions are considered to be without donor restriction unless specifically stated by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions that increases that net asset class. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from donor restrictions.

Property and Equipment

Expenditures for additions, major renewals and betterments with a per unit cost in excess of \$500 are capitalized at cost and those for maintenance and repairs are currently charged to expense. Donated assets are recorded at fair value at the date of the gift. Depreciation is computed on the straight-line method over the following estimated useful lives.

Shelter building	39 years
Furniture and equipment	5 - 10 years
Improvements	10 - 20 years
Vehicles	5 years

The Organization follows the policy of recording contributions of long-lived assets directly instead of recognizing their gift over the useful life of the asset. The amounts shown are from market valuation as of the date of the contribution.

Allowance for Uncollectible Accounts

As accounts receivable are amounts due primarily from government agencies, there is minimal risk of their being uncollectible; therefore, no allowance for uncollectible accounts is deemed necessary. The Organization determines an allowance for uncollectible receivable based on prior years' experience and management's analysis of specific promises made. An allowance for uncollectible accounts is not deemed necessary for promises receivable.

Grant Revenue

The Organization receives monetary grants from the Tennessee Department of Finance and Administration. The grants require the Organization to maintain certain levels of services and generally require a specified percentage of the grants be matched with local funds. The Organization recognizes revenue from grants only when all conditions specified by the grants have been met.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

In-kind Support

In-kind support includes the estimated fair rental value of office space, as well as the estimated fair value of other items contributed to the Organization. Contributed services are recognized if the services received a) create or enhance non-financial assets or b) require special skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. The following amounts are included in in-kind support:

Rent	\$ 130,752
Supplies and minor equipment	21,888
	<u>\$ 152,640</u>

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, employee benefits, payroll taxes, building expenses, supplies, office expense, professional fees, insurance and depreciation, which are allocated on the basis of estimates of time and effort.

Income Taxes

The Organization is chartered as a Tennessee tax-exempt, nonprofit organization. On the federal level, the Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. There was no unrelated business income for the year ended June 30, 2020.

YEAR ENDED JUNE 30, 2020**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes (continued)

The Organization has adopted ASC Topic 740-10, *Accounting for Uncertainty in Income Taxes*, which prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, including the position that the Organization continues to qualify to be treated as a tax-exempt entity for both federal and state income tax purposes. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. For the year ended June 30, 2020, the Organization has no material uncertain tax positions to be accounted for in the financial statements under these rules. The Organization has exempt organization tax filings open to Internal Revenue Service audit, generally, for three years after they are filed.

Events Occurring After Reporting Date

Haven of Hope, Inc. has evaluated events and transactions that occurred after June 30, 2020, through the date of the issued financial statements. The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.
