Explanation Statement

Form/Line: Schedule A, Page 6, Part VI-BExplanation of: Lobbying Activity by Nonelecting Public Charities

Nashville Public Television participates with the other Tennessee
public television stations in production and other activities.
These stations receive a significant portion of their operating
budgets from the State of Tennessee, and as a group employ a
lobbyist or legislative consultant to speak on their behalf
to the state legislature and governor. If that funding was to
disappear or be greatly reduced, some stations might go out of
business.

All the nation's public television stations receive significant
amounts from the federal government through the Corporation for
Public Broadcasting, as well as equipment grants from other
agencies. Moreover, non-funding activities of the federal
government can have significant impact on public broadcasting.
As a group, the stations employ an organization which provides
broadcasters ongoing information on federal activities which
might affect them and communicates to government officials the
concerns of the public television stations.

1. Replace Section 5.2 with the following:

Section 5.2 Number, Tenure, and Qualifications; Board Officers. The number of the members of the Board of Directors shall be not less than nine (9) nor more than twenty-two (22). The President of the Corporation shall be an ex-officio member of the Board. The number of Directors may be increased or decreased from time to time by the Board of Directors by amendment of these By-Laws, but no decrease shall have the effect of shortening the term of an incumbent Director or reducing the number of Directors below nine (9). The initial members of the Board of Directors shall be appointed by the Incorporator for staggered terms of one, two and three years, in order properly to stagger the terms thereafter and permit expiration of an equal number of terms immediately following each annual meeting. Thereafter, Board seats occupied by Directors whose terms have expired shall be filled by majority vote of the other Directors. In the event additional members are added to the Board of Directors, the initial terms of office of such additional Directors shall be staggered in such a manner to assure that the terms of office of not more than one-half ($\frac{1}{2}$) of all of the Directors will expire in any one year with a goal that there be three classes with seven directors in each class. Each Director shall hold office until his or her term shall have expired and his or her successor shall have been elected and qualified, or until his or her earlier resignation, removal from office, or death. A Director whose term has expired may succeed himself or herself, provided, however, that no person shall serve more than two consecutive full terms of three years, provided, however, if the Chair of the Board has served for less than three (3) years in that position, he or she may be elected to one additional three year term. Directors shall be natural persons who have attained the age of twenty-one (21) years, but need not be residents of the State of Tennessee so long as a majority of the members are Tennessee residents. The Board of Directors shall elect a Chair and may elect a Vice-Chair. The Chair (or in the absence of the Chair, the Vice-Chair) shall preside at all meetings of the Board of Directors.

2. Replace the first two sentences of Section 7.1 with the following:

Section 7.1. Composition of the Executive Committee. The Executive Committee shall have not more than six (6) members. These members shall include the Chairperson of the Board of Directors, the President and, following the establishment of such committees, the Chairperson of the Finance, Development, Nominating and Programming and Local Services Committees, each of which shall be standing committees of the Corporation.

3. Amend Section 7.8 to replace the reference to the Operations Committee with the Nominating Committee.
