Independent Auditor's Report

To the Board of Directors of
the 100 Black Men of Middle Tennessee
Nashville, Tennessee

We have audited the accompanying financial statements of the 100 Black Men of Middle Tennessee, a nonprofit organization (the "Organization"), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors of
the 100 Black Men of Middle Tennessee

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the 100 Black Men of Middle Tennessee as of December 31, 2020, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

100 BLACK MEN OF MIDDLE TENNESSEE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The 100 Black Men of Middle Tennessee (the “Organization”) was established in 1991. The Organization is a non-profit organization providing resources to further the academic and social development of black male students in Nashville and surrounding Middle Tennessee. The Organization is an affiliate of the 100 Black Men of America, Inc., a service organization chartered in 1986 with a commitment to improve the academic and social proficiency of inner-city black youth.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

For reporting purposes, the Organization’s financial statements have been prepared to focus on the organization as a whole. Resources are classified into two net asset categories based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization’s management and the board of directors.

Net Assets With Donor Restrictions - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Expirations of restrictions on net assets as the result of the passage of time and/or fulfilling donor-imposed stipulations are reported as net assets released from restrictions between the applicable classes of net assets in the statements of activities.

Contributions

Contributions, including unconditional promises to give, are recognized as revenue in the period received. Conditional promises to give are recognized when the donor stipulations on which they depend are substantially met.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Grants and Grant Receivables

The Organization receives funding under grants for program and operating costs. Revenue from grants is recognized as expenses are incurred.

Contributed Services

The Organization records revenue for voluntary donations of services when those services create or enhance the nonfinancial assets or require specialized skills provided by individuals possessing those skills and which would be typically purchased if not provided by contribution. For the year ended December 31, 2020, there were no contributed services meeting the requirement for recognition in the financial statements.

Estimates

Management of the Organization has made certain estimates and assumptions that affect the reported amounts of assets and liabilities, and reported accounts of revenues and expenses to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Management believes that such estimates have been based on reasonable assumptions and that such estimates are adequate. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers bank deposits and all highly liquid debt instruments with an original maturity of three months or less when purchased to be cash and cash equivalents.

Investments

Investments are carried at fair value (generally at quoted market prices). Net realized and unrealized gains and losses are reflected in the statement of activities.

Beneficial Interest in Trusts

Beneficial interest in trusts represent resources neither in possession nor under the control of the Organization, but held and administered by outside parties for the benefit of the Organization and its mission. These funds are recorded at their fair value based on the underlying investments.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Financial Instruments and Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). The inputs used to measure fair value are classified into the following hierarchy:

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities;

Level 2 - Unadjusted quoted prices in active markets for similar assets or liabilities, or unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs that are derived principally from or corroborated by observable market data by correlation or other means, or inputs other than quoted prices that are observable for the asset or liability;

Level 3 - Unobservable inputs for the asset or liability based on the Organization's own assumptions.

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code; and accordingly, no provision for income taxes is included in the accompanying financial statements.

The Organization accounts for the effect of any uncertain tax positions based on a more likely than not threshold to the recognition of the tax positions being sustained based on the technical merits of the position under examination by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a cumulative probability assessment that aggregates the estimated tax liability for all uncertain tax positions. Tax positions for the Organization include, but are not limited to, the tax-exempt status and determination of whether certain income is subject to unrelated business income tax; however, the Organization has determined that such tax positions do not result in an uncertainty requiring recognition.

Functional Allocation of Expenses

The Organization's costs of providing the various programs and other activities have been summarized on a functional basis in the statements of functional expenses. Directly identifiable expenses are charged to programs. Supporting services expenses include those expenses that are not directly identifiable with any other specific function, but provide for the overall support and direction of the Organization. Accordingly, costs have been allocated to the appropriate functions based upon management's estimates.

100 BLACK MEN OF MIDDLE TENNESSEE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

B. LIQUIDITY AND AVAILABILITY OF RESOURCES

The table below represents financial assets available for general expenditures within one year at December 31, 2020:

Financial assets at year-end:	
Cash	\$440,412
Beneficial interest in trust and investments	<u>28,824</u>
Total financial assets	<u>469,236</u>
Less amounts not available to be used for general expenditures within one year:	
Financial assets not available to be used within one year	<u>28,674</u>
Financial assets available to be used for general expenditure within one year	<u>\$440,562</u>

As part of the Organization's liquidity management plan, it structures its financial assets to be available as its obligations come due. The Organization is continually soliciting additional funding and has solid relationships with its large donors.

C. BENEFICIAL INTEREST IN TRUST

The Organization has established a permanent endowment fund with the Community Foundation of Middle Tennessee (the "CFMT"). The funds held by the CFMT are for the benefit of the Organization. The CFMT only has variance power upon the dissolution of the Organization. Until such time, all income earned on the funds is for the benefit of the Organization. Total market value of the funds at December 31, 2020 was \$28,674 and has been recorded in the Organization's financial statements as a beneficial interest in trust. The Organization received immaterial interest or dividend income during 2020.

D. NET ASSETS

Net assets with donor restrictions at December 31, 2020 total \$28,674 and relate to a permanent endowment held at the Community Foundation of Middle TN.

100 BLACK MEN OF MIDDLE TENNESSEE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

E. CONCENTRATIONS OF RISK

The Organization maintains its cash in high credit quality financial institutions at balances, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts.

F. COVID-19 PANDEMIC

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus (the “COVID-19 outbreak”). In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. In order to assist in the mitigation of potential negative impact on the Organization’s operational and financial performance, the Organization applied for and has received financing from the Small Business Administration (the “SBA”) totaling approximately \$25,000 through the Paycheck Protection Program (“Program”). Under the Program, the loan is subject to forgiveness if it is utilized for expenditures such as certain payroll, rent, and utility costs. Management utilized the loan proceeds for purposes that qualify the loan for forgiveness under the Program and management was subsequently notified the loan was forgiven on March 22, 2021. See Note G.

Although the Organization cannot estimate the length or gravity of the impact of the COVID-19 outbreak at this time, if the pandemic continues, it may have an adverse effect on the Organization’s results of future operations, financial position, and liquidity in 2021.

G. SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 18, 2021, the date the financial statements were available for issuance, and has determined that there was one subsequent event requiring disclosure.

On March 22, 2021, the Organization was notified that their application for forgiveness of their PPP loan was approved and that the SBA had remitted \$25,000 to the lender of record as authorized by Section 1106 of the CARES Act.
