INDEPENDENT AUDITOR'S REPORT

Board of Directors Roxy Productions, Inc. Clarksville, Tennessee

We have audited the accompanying statements of financial position of Roxy Productions, Inc. (a nonprofit organization) as of August 31, 2010 and 2009, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of Roxy's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Roxy Productions, Inc. as of August 31, 2010 and 2009, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

ROXY PRODUCTIONS, INC. NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

a. Organization and Nature of Activities

Roxy Productions, Inc. (Roxy), a non-profit organization, was granted a charter from the State of Tennessee on August 12, 1985. The Roxy's objective is to produce live plays and other entertainment for the social and educational benefit of Clarksville, Montgomery County and the surrounding areas. The Roxy's operations are controlled by a board of directors.

b. <u>Use of Estimates</u>

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and those variances could be material to the financial statements.

c. Basis of Accounting

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. The Roxy utilizes the accrual basis of accounting which recognizes revenues when earned and expenses when incurred.

The Financial Accounting Standards Board (FASB) has established standards concerning contributions and financial statement presentation applicable to non-governmental not-for-profit organizations such as the Roxy. These standards require that unconditional promises to give (pledges) be recorded as receivables and revenues and require the organization to distinguish among contributions received for each net asset category in accordance with donor-imposed restrictions. A description of the three net asset categories follows.

(1) Unrestricted

Contributions are recorded as unrestricted revenue if that gift will be spent within the operating cycle or other expenses will be incurred which satisfy the restrictions (if any) of the gift.

(2) Temporarily Restricted

Gifts and pledges for which donor-imposed restrictions have not been met at the statement date are considered temporarily restricted. Temporarily restricted net assets include cash and contributions receivable related to the building fund capital campaign.

(3) Permanently Restricted

Gifts and pledges which require by donor restriction that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions are considered permanently restricted. The Roxy had no permanently restricted net assets at August 31, 2010 and 2009.

d. Concentrations of Credit Risk

Financial instruments that are potentially subject to significant concentrations of credit risk consist principally of cash and contributions and grants receivable. The Roxy places its cash with federally-insured financial institutions. With respect to contributions and grants

1. Summary of Significant Accounting Policies (Cont'd)

d. Concentrations of Credit Risk

receivable, credit risk is dispersed across several contributors who are geographically concentrated in the Clarksville, Tennessee service area. Consequently, the Organization's ability to collect the pledges due from contributors is affected by economic and other conditions in this geographic area. The Organization does not require collateral with respect to contributions receivable.

e. Cash and Cash Equivalents

The Roxy considers all highly-liquid debt instruments purchased with maturities of 90 days or less to be cash equivalents.

f. Contributions and Grants Receivable

Contributions receivable consist of unrestricted amounts receivable from the City of Clarksville and temporarily restricted building fund pledges from individuals and businesses. Other contributions are recorded as received. Contributions receivable are not evidenced by any form of collateral.

Grants receivable consist of amounts receivable from the Tennessee Arts Commission. The Tennessee Arts Commission grant provides reimbursements for certain types of operating expenses. This grant receivable amount represents reimbursements that were earned at year end.

g. Allowance for Uncollectible Contributions Receivable

Bad debts are provided for using the allowance method. Management evaluates known and anticipated uncollectible accounts annually to estimate an adequate allowance for uncollectible contributions receivable. The allowance for uncollectible contributions receivable as of August 31, 2010 and 2009, was \$15,000 and \$-0-, respectively.

h. Property and Equipment

Property and equipment, including leasehold improvements, are recorded at historical cost or, if contributed, at estimated fair value at the date of receipt. Property and equipment acquired with a unit cost of \$500 or greater and a useful life of more than one year are capitalized. Expenditures for additions, major renovations and improvements are capitalized while those for maintenance and repairs are charged to expense as incurred. Capitalized assets are depreciated over their estimated useful life using the straight line method.

i. Accrued Compensated Absences

There are no personnel policies that allow for annual leave. Therefore compensated absences are not accrued.

j. <u>In-Kind Donations</u>

The Roxy receives in-kind donations. Included in the statement of activities is \$80,436 and \$41,734 in revenue and expense for advertising related services received from a local newspaper, magazine and printer for the years ended August 31, 2010 and 2009, respectively.

7. Support

The Roxy received funding from the City of Clarksville totaling \$30,000 and \$20,000 for years ended August 31, 2010 and 2009, respectively.

8. Contributed Services

A substantial number of unpaid volunteers have made significant contributions of their time to support the Organization's programs, principally in fundraising. No amounts have been recognized in the statement of activities because the criteria for recognition under SFAS No. 116 have not been satisfied.

9. Contingencies

The Roxy's exposure to property loss and general liability is handled through the purchase of commercial insurance. Insurance coverage was adequate to cover settlements for the past three fiscal years.

10. Land Purchase Option

During the fiscal year ending August 31, 2007, the Roxy purchased an option from the City of Clarksville, Tennessee, to purchase unimproved real estate located adjacent to the theater. This option expires June 1, 2012.
