#### INDEPENDENT AUDITOR'S REPORT

Board of Directors Senior Citizens, Inc., Senior Center for the Arts, Inc. and J.B. Knowles Trust 174 Rains Avenue Nashville, TN 37203

I have audited the accompanying statement of financial position of Senior Citizens, Inc. (a nonprofit organization), Senior Center for the Arts, Inc. (a nonprofit organization), and the J. B. Knowles Trust (a charitable trust) as of June 30, 2007 and 2006, and the related statements of activities, functional expenses, and cash flows for the years ended June 30, 2007 and 2006. These financial statements are the responsibility of the Organizations' management. My responsibility is to express an opinion on these financial statements based on my audits.

I conducted my audits in accordance with auditing standards generally accepted in the United States of America and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Senior Citizens, Inc., Senior Center for the Arts, Inc. and the J.B. Knowles Trust as of June 30, 2007 and 2006, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, I have also issued my report dated November 8, 2007, on my consideration of Senior Citizens, Inc.'s, Senior Center for the Arts, Inc.'s, and the J.B. Knowles Trust's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

My audit was performed for the purposes of forming an opinion on the basic financial statements of Senior Citizens, Inc. Senior Center for the Arts, Inc.'s, and the J.B. Knowles Trust taken as a whole. The accompanying Schedules of Federal Awards and State and Local Awards are presented for purposes of additional analysis as required by the US Office of Management and Budget Circular A-133., Audits of States, Local Governments, and Non-Profit Organizations, and are not a required part of the basic financial statements. The accompanying schedules of assets, liabilities, and net assets and revenues, expenses, and changes in unrestricted net assets are presented for the purposes of additional analysis and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### General

Senior Citizens, Inc. (the Agency), a Tennessee not-for-profit corporation, provides programs and services designed to keep seniors, 55 years of age or older, fit, healthy, and involved; and to provide social services to enable home bound seniors to remain independent in their own home as long as possible. Supportive services include fund raising, management and general expenses not directly identifiable to any program, but indispensable to these activities and to the Agency's existence.

The Joseph B. Knowles Trust Fund (the Trust Fund) is a trust established to assist in paying for the operating expenses of the Agency's Knowles Senior Center. The Agency and the Trust Fund are governed by the same board of directors. See note 13 for further information on the Trust Fund.

Senior Center for the Arts, Inc. (SCA) is a non-profit organization that supports art programs. The Agency's board of directors appoints the board of SCA and has an economic interest in SCA. SCA is consolidated with the Agency. See note 15 for further information on SCA.

#### **Basis of Accounting**

The consolidated financial statements of the Agency, the Fund, and SCA have been prepared on the accrual basis of accounting and accordingly reflect all significant accounts receivable, accounts payable, and other liabilities. All significant inter company accounts and transactions have been eliminated.

#### Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Notfor-Profit Organizations". Under SFAS No. 117, Agency is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

#### Accounts Receivable

Accounts receivable are stated at their net realizable value. It is the opinion of management that all accounts receivable at June 30, 2007 and 2006 are collectible.

#### Cash and Cash Equivalents

For the purposes of the statement of cash flows, cash and cash equivalents are defined as all cash on hand and deposited in FDIC insured bank accounts with a maturity of three months or less. Any cash or investments which the agency holds in a conservator trust are reported separately as other assets.

#### Deferred Revenue

Income from service fees are deferred and recognized over the periods to which the service fees relate.

#### **Donated Assets**

Marketable securities and other non cash donations are recorded as contributions at their estimated fair market values at the date of the donation.

#### **Donations of Property and Equipment**

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose, assets donated with explicit restrictions regarding their use and contributions of cash that must be use to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how these long lived assets must be maintained, Agency reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Agency reclassifies temporarily restricted net assets to unrestricted net assets at that time.

#### **Donated Services**

Agency records donated services when they create or enhance a non-financial asset or for specialized skills provided by entities or persons possessing those skills that would be purchased if they were not donated.

#### **Expense Allocation**

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### Fair Values of Financial Instruments

Financial instruments of Agency include cash, short term trade accounts receivable, and trade accounts payable. Management estimates that the fair value of all financial instruments at June 30, 2007 and 2006 do not differ materially from the carrying values of the financial instruments recorded in the accompanying balance sheet.

#### Income Tax Status

Senior Citizens, Inc. and Senior Center for the Arts. Inc. are exempt organizations which are not considered private foundations and are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The J.B Knowles Trust Fund is a charitable trust and is exempt from federal income taxes. Accordingly, no provisions for income taxes have been made.

#### Promises to Give

Unconditional promises to give are recognized as revenue or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

#### Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed on a straight-line basis over the estimated useful life of assets and is reflected as an expense in the Statement of Functional Expenses.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

#### NOTE 2 - CASH AND CREDIT RISK

All cash and certificate of deposits of Senior Citizens, Inc., Senior Center for the Arts, Inc., and J. B. Knowles Trust are deposited in FDIC insured banks and in brokerage money market accounts. The Agency had deposits exceeding the \$100.000 FDIC deposit insurance coverage. Due to the float on outstanding checks, the credit risks for these excess balances were \$269,995 and \$442,256 at June 30, 2007 and June 30, 2006, respectively. Consistent with the American Institute of Certified Public Accountants Audit and Accounting Guide for Not-for-Profit Organizations, cash in which is donor restricted for long term purposes is segregated as a non-current asset.

All of the trust funds, except for one account which is in two brokerage accounts, are deposited in federally insured banks and credit unions. One individual trust fund bank accounts exceeded the \$100,000 FDIC deposit insurance coverage by \$27,427 and \$21,172 at June 30, 2007 and 2006, respectively.

Promises to give due in more than one year are reflected at the present value of estimated future cash flows using a discount rate of 6%. The long-term portion, if any, of the promises at June 30, 2007 are due during the fiscal year end 2008.

#### NOTE 7 - EMPLOYEE PENSION PLANS

The Agency has an IRS Section 403(b) tax sheltered annuity plan, a defined contribution money purchase pension plan, and a defined benefit pension plan. Employees may voluntarily contribute to the tax sheltered annuity plan. The Agency does not make any contributions to this plan.

Effective July 1, 1992, the agency established a defined contribution money purchase pension plan which is paid for by the employer. In July 2001, the money purchase plan was converted into a profit sharing plan. In July 2006, the profit sharing plan was converted into a 401(k) plan. Eligibility for participation in the plan is attainment of age 21 and completion of one year of service in which 1.000 hours of service is completed. Participants become fully vested after 3 years of vesting service. During the first plan year, 4% of each eligible employee's compensation was contributed to the money purchase plan. The board of directors may change this funding level for future years but did not for the years ended June 30, 2007 and 2006. The Agency contributed \$100,805 and \$67,702 to this plan in the years ended June 30, 2007 and 2006.

In January of 1975, the Agency established an employer paid defined benefit pension plan. As a result of establishing the defined contribution plan discussed previously, participation in the defined benefit plan is limited to those employees employed prior to June 30, 1992. All participants and all benefits in the defined benefit are plan 100% vested. The benefits are based on an employee's years of service and annual pay. The funding of this defined benefit plan is based on an actuarial determination using the aggregate cost method which spreads the cost of projected benefits over the employees' aggregate projected future compensation.

For employees who are participants in both the defined benefit plan and the defined contribution plan, any amount determined to be due to an employee under this defined benefit plan is determined as the minimum pension benefit. If the pension under the defined contribution plan exceeds the minimum pension benefit, then the employee will only receive the defined contribution plan benefit. If the defined contribution plan benefit is less than the minimum pension benefit, then the defined benefit pension plan makes up the difference so that the employee's pension plan is equal to the minimum pension benefit. Shown below is the funded status of the defined benefit plan and amounts recognized in the Agency's statement of activities at June 30, 2007 and June 30, 2006:

#### NOTE 9 - FINANCIAL DEPENDENCE

The Agency and SCA are substantially funded by grants from federal, state, and local government agencies and by annual contributions from United Way. A significant reduction in the level of this support, if this were to occur, may have an effect in the Agency's and SCA's programs and activities. In addition, the grants prescribe allowable expenditure guidelines with which Agency must comply. The grants are received prospectively, subject to subsequent verification of the incurring of allowable expenditures or provision of qualifying services.

#### NOTE 10 - IN KIND SUPPORT

The Agency had an agreement effective October 1, 1991 with the J.B. Knowles Trust Fund to lease the J.B. Knowles Senior Citizens Center for \$1 per year for 25 years. The fair market value for rental of this facility is estimated to be \$40,000 per year. This use ended with the move of the Knowles Center to the Hart Building site in January 2006. See note 13. The Agency has an in kind agreement with the Metropolitan Government of Nashville and Davidson County to use the site where the Knowles Center Hart Building is located as a senior center for 40 years for \$1. The fair value of the use of the land for the forty years is estimated to be \$16,250 per year for a total of \$650,000.

The Agency also has in kind agreements to use its College Grove and Hadley Park facilities. The fair market value of the rent of these facilities is estimated to be \$41,400 and \$9,000 per year respectively.

During the year ended June 30, 2001 the Agency received a donation of land with a fair market value of \$375,000 from the City of Brentwood, which is the site of the Martin Senior Center. The Agency has title to the land subject to a provision that if the Agency sells the land the City of Brentwood will receive part of the proceeds.

During the year ended June 30, 2007, the Agency received a donation of a building at 3315 John Malette Drive in Nashville, Tennessee with a fair market value of \$117,000 from Metropolitan/Davidson County for its Northwest Senior Center site. The Agency has title to the property subject to a provision that if the Agency ceases to operate a senior center facility, the property will revert back to the local government.

The Agency also receives in kind support in the form of meals, uniforms, and medical services provided to its volunteers by other agencies involved in the programs. Also the Agency receives from time to time in kind professional services, supply, equipment, janitorial services, printing, legal, real estate consulting, and recognition donations. A summary of in kind support received and included in the financial statements is as follows:

	<u> 2007</u>		
Rent and land use	\$ 66,650	\$	64,850
Assistance	68,805		63,174
Professional services	489		1,330
Supplies	2,020		3,440
Total	\$ 137,964	\$	132,794

#### NOTE 11 - DEFERRED REVENUE

Deferred revenue consists of payments for services that have not been earned.

#### NOTE 12 - BOARD DESIGNATED NET ASSETS

The Board of Directors for Senior Citizens. Inc. has designated \$150,000 in a capital reserve fund and \$50,000 in a special needs fund.

#### NOTE 13 - PERMANENTLY RESTRICTED NET ASSETS

The Agency became the trustee of the Knowles Trust during the fiscal year ended June 30, 2006. A court order approved the transfer of the Knowles Trust to Senior Citizens, Inc. from the former trustee the Mayor of Nashville. The principal in the Knowles Trust Fund is permanently restricted subject to the following provisions. Annually, the Agency has the unrestricted use of the Knowles Trust Fund's net investment income or 5% of the trust fund balance, whichever is greater. If this annual amount is less than \$40,000, the Agency can encroach upon the principal balance up to a minimum of \$40,000. However, any encroachment decreasing the principal balance by more than 10% must be approved by the court. Based on these provisions, the initial balance that was transferred is reported as a restricted net asset. During the year ended June 30, 2007, based on the provisions discussed above, the Agency received \$100,000 from the Trust which is less than 5% of the trust fund balance.

#### NOTE 14 - SENIOR CITIZENS FOUNDATION, INC.

Senior Citizens Foundation, Inc. (the Foundation) is an independently governed organization that financially supports the activities of Senior Citizens, Inc. (the Agency). The Foundation is organized as a 501(c)(3) not for profit organization for the purpose of supporting activities of senior centers including the Agency but not limited to the Agency. The Agency does not control the decisions and activities of the Foundation and vice versa. The Agency has made grants to the Foundation as disclosed annually in the statement of functional expenses. The Agency is not required to make any grants to the Foundation. Annually, the Foundation makes an unconditional pledge to the Agency for support of the Agency's activities for the next fiscal year that is reported in the statement of activities. The Foundation's pledge is approximately 5% of the fair market value of the Foundation's investments of the Agency's grants. The Foundation is not required to make a pledge to the Agency of this or any other amount and has made different amounts of donations in the past. The Agency's cumulative grants to the Foundation are \$2,311,362, and the Foundation's cumulative pledges and donations to the Agency are \$1250,914. Since the Agency does not have control over the Foundation's decisions and activities, the fair value of the assets held by the Foundation is not recognized as an asset of the Agency.

#### NOTE 15 - SENIOR CENTER FOR THE ARTS

On October 12, 2006, the board of directors approved the by-laws and board members for the Senior Center for the Arts, Inc. (SCA) a non-profit organization created to support art programs. The Agency's board of directors controls and takes an economic interest in SCA, therefore, it will be consolidated with the Agency.

For the years ended June 30, 2006 and 2007, the assets, liabilities, revenues and expenses of SCA are consolidated with and reported on the Agency's financial statements.
